After Representation? R. Clifton Spargo, Robert Ehrenreich, 2009-11-11 After Representation explores one of the major issues in Holocaust studies the intersection of memory and ethics in artistic expression particularly within literature As experts in the study of literature and culture the scholars in this collection examine the shifting cultural contexts for Holocaust representation and reveal how writers whether they write as witnesses to the Holocaust or at an imaginative distance from the Nazi genocide articulate the shadowy borderline between fact and fiction between event and expression and between the condition of life endured in atrocity and the hope of a meaningful existence What imaginative literature brings to the study of the Holocaust is an ability to test the limits of language and its conventions After Representation moves beyond the suspicion of representation and explores the changing meaning of the Holocaust for different generations audiences and contexts Arthur Rimbaud Harold Bloom, 1988 Arthur Rimbaud et le complexe du damné Giovanni Berjola, 2007 Mid-Century Romance John T. Connor, 2024-09-13 Mid Century Romance chronicles a revival of the historical novel in the middle decades of the twentieth century in the cultures of British modernism and international communism Born of a national turn in world politics these novels met the turbulence of mid century history with narratives of national becoming roadmaps to situate their readers in the pattern of social change Their writers were often mindful of the genre s romantic era heritage they saw themselves as following in the footsteps of Sir Walter Scott and they drew on the same rescued remains of primitive poetry and popular antiquities that romanticism first used to construct its versions of national identity culture and tradition This book shows how the impulse to salvage traces of ancestral culture and press them to new purpose links the mid century national historical novel to the rise of radical social history and magical realism Post war anticommunism shaped a tradition of the novel as a preserve of art and the individual Mid Century Romance counters with a different genealogy of the British and world novel whose object is society and the future of community the nation and its people It situates its cast of British writers including the modernists Hope Mirrlees and Virginia Woolf the communists Jack Lindsay and Sylvia Townsend Warner the eccentric modernist and sometime fellow traveller John Cowper Powys and the New Left luminary Raymond Williams in a transnational perspective that reaches from Bihar India to Bahia Brazil Invention of a People Janae Sholtz, 2015-03-09 The Invention of a People explores the residual relation between Heidegger s thought and Deleuze s novelty focusing on the parallels between their emphasis on the connection of earth art and a people to come **Il suffit de...** Marie-José Lallart, 2009-04-01 Ce nouveau recueil de Marie Jos Lallart dans la collection Exclamationniste creuse un peu plus le sillon d une d sesp rance optimiste Introduisant chaque po me Il suffit de traduit l impuissance agir tour tour sur la nature les tres ou encore le cours des choses pour en modifier les implacables trajectoires Illustr s par la jeune plasticienne M lanie Maura ces textes sous tendent le renoncement et la d mission face l insondable condition humaine *Œuvres: Vers nouveaux: Une saison en enfer.
