

# Othello

Oedipus cannot be compared to Othello since Othello could have investigated more into the matter. However, fate was against Oedipus because in intending to better the lives of the people of Thebes, he stumbles on the revelation that he has indeed fulfilled what the oracle had predicted and he exiles himself in despair and contempt due to the events that were conspired by the gods. In Oedipus's case, his tragic end was a case done by the gods and as much as he tried to escape his fate, it unsuspectingly caught up with him in the end.

However, a look into Othello's case, it can be argued that his fate was not as ill determined by the gods as that of Oedipus. In Othello, a fellow human being who was his "friend" plots his ruin by using matrimonial basis since he knew that Othello loved his wife and the fool, Iago had a capability of being evil. He uses this evil trait in him to see to it that Othello suffers for not appointing him as an official and instead he appoints another character.

## Othello's downfall

Othello's downfall is something that he could have avoided were it not that he was blinded by the feelings of jealousy he had due to the great love that he had for his wife. His downfall is a conspiracy that was initiated by Iago who happens to be Othello's ensign with a greed for power by mounting in position. He aspires to be appointed by Othello as his personal lieutenant but his wishes are thwarted when Florentine Michael Cassio is appointed instead.

This is when Iago gets jealous and plots disaster for Othello to get back at him, though Othello has no idea that Iago has a conspiracy against him. Iago intends to poison the minds of the Venetians against Othello and he approaches a gullible character, Rodrigo and tells him that Othello uses personal connections and politics while promoting men rather than using military prowess. Just as Iago conspires against Othello, a perfect opportunity occurs when he, Othello flees with Desdemona, who is daughter to a senator, Brabantio.

## Othello's jealousy

It just so happens that Othello is a black moor while Desdemona is a white girl and Iago uses this to spark up the senator in opposition to Othello. Brabantio tries to stop the relationship between his daughter and Othello by accusing Othello of using magic but the duke rules against this when he hears Othello declare his love for Desdemona.
