Stink and the Freaky Frog Freakout Megan McDonald, 2013-02-12 Croak Squeenk Ribbet After a close encounter with a mutant amphibian makes him freaky for frogs water shy Stink becomes a swimming success Stink may be super smart and Stink may be uber clever but he has been in the Polliwog swim class frog ever and he still can't bear to put his face in the water Why would he want a geyser up his nose on purpose But then something weird happens Stink starts to see frogs everywhere in the locker room in his boot in the bathtub And when a freaky blue frog licks his arm his froggy senses start tingling He has an urge to slurp up raisins that look like flies He can't wait to play in the rain and mud He is a wiz at identifying frog calls And he has become very interested in the local frog population Could it be that Stink is turning into the amazing Stink Frog fighter of slime Preeeep Crawawk

Stink and the Shark Sleepover Megan McDonald, 2014-02-11 Sharktastic Stink gets to sleep with the fishes after his parents win an aquarium sleepover But wait what is that lurking beyond the KEEP OUT sign When Stink's parents win tickets for the whole family to sleep over at the aquarium along with Stink's two best friends it sounds like a science freak's dream come true Stink loves the sea creature scavenger hunt Bat ray Brain coral the jellyfish light show and the shiver of sand tiger sharks with razor sharp teeth And of course Stink is nuts about gross stuff but after some spooky stories around the virtual campfire can he manage to fall asleep thinking about the eating habits of the vampire squid Especially Bloody Mary the mutant glowing Frankensquid that is supposed to be on the prowl

The Early Reader in Children's Literature and Culture Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly

attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe **Stink: The**
