between the both of them There is always something to do for Stalin each day in the city but he ends up spending too much money throughout his stay and realizes that he may not afford to pay the rest of the rent for his Pub Stalin asks Alex if he can stay with him until it is time for him to go home Alex grants Stalin s request Stalin s personality engages him into the drinking habits of Alex and Frederick They go out everyday to drink socialize and enjoy the city Even though Stalin spends most of his time with Alex and Frederick it did not deter him from working on his writing project Stalin also finds time to break away from his friends to explore parts of the city He uses parts of his journey to find places that would propel him further to completing his project Stalin has high expectations that he will become a famous writer someday The tireless efforts that are placed into his writing will one day make him become a huge success Each time Stalin visits Paris he is marveled by the people of this great city He likes the fact that interracial couples can be together without any signs of hatred or jealousy by someone else Stalin also sees how men can greet each other with a kiss on the cheek and it is regarded as acceptable to other people Life in the city of Paris seems too good to be true Stalin feels that many people s culture and lifest
