Le Nettoyage Ethnique Aspects De Droit International:

Le nettoyage ethnique Sébastien Marmin, 2014-02-01 Le nettoyage ethnique peut s'analyser comme instrument de création d'un Etat nation Les règles internationales de garantie des droits fondamentaux y opposent une résistance L'enjeu d'évaluer cette pratique est de déterminer l'opportunité de laborer une règle prohibitive spécifique Les règles les plus modernes de prévenir le nettoyage ethnique sont cherchées dans le droit international des droits de l'homme le droit international humanitaire et le droit international des minorités **Les nouveaux aspects du droit international** Rafâa Ben Achour, 1994

Vendée 1793-1794 Jacques Villemain, 2017-02-03 Si les faits qui se sont produits en Vendée en 1793-1794 avaient lieu aujourd'hui comment seraient-ils qualifiés au regard du droit pénal international crimes de guerre crimes contre l'humanité crime de génocide et qui sont ceux dont la responsabilité pénale devrait être mise en cause Telles sont les questions auxquelles ce livre essaie de répondre Une polémique est née aux alentours de la célébration du bicentenaire de la Révolution française propos d'un génocide franco-français qui aurait été commis en Vendée Ce n'est cependant que dans le courant de la décennie suivante que les crises de l'ex-Yougoslavie et du Rwanda et les violences qu'elles ont engendrées ont donné lieu à l'institution de tribunaux pénaux internationaux spécialisés en 1993 et 1994 puis d'une Cour pénale internationale en 1998 qui ont précisé les concepts de crime contre l'humanité et de crime de génocide et actualisé la jurisprudence sur les crimes de guerre Génocide est le nom d'un crime C'est donc par une analyse juridique au regard des normes du Droit précises par les tragiques expériences du XXe siècle que doivent être complétées voire revues les analyses historiennes sur cette controverse **La régionalisation**

du droit international, 2013-01-30 La régionalisation du droit international public a de nombreuses facettes L'ouvrage traite la fois des divers domaines de la régionalisation droit de la mer droit de la sécurité collective droits de l'homme droit de l'environnement droit des organisations internationales de l'étendue des degrés et des techniques de la régionalisation Il aborde également les interactions concurrence et complémentarité tant entre les niveaux universel et régional qu'entre les régionalismes Le présent ouvrage interressera les avocats en droit public et droits de l'homme les magistrats les fonctionnaires ainsi que les professeurs et leurs étudiants **La Promotion de la Justice, Des Droits de L'homme Et Du Règlement**

Des Conflits Par Le Droit International Marcelo Gustavo Kohen, 2007 This Liber Amicorum is published at the occasion of Judge Lucius Caflisch's retirement from a distinguished teaching career at the Graduate Institute of International Studies of Geneva where he served as Professor of International Law for more than three decades and where he has also held the position of Director It was written by his colleagues and friends from the European Court of Human Rights from universities all around the world from the Swiss Foreign Affairs Ministry and many other national and international institutions The Liber Amicorum Lucius Caflisch covers different fields in which Judge Caflisch has excelled in his various capacities as scholar representative of Switzerland in international conferences legal adviser of the Swiss Foreign Affairs Ministry counsel registrar arbitrator and judge This collective work is divided into three main sections The first section examines questions
