Revelations of Rapier Robert Childs, 2022-12-31 There are a number of how to rapier manuals now available both those written centuries ago and now presented in modern English translation or those composed by modern maestri of the sword in emulation of those by gone works But there has always been the parallel tradition of the martial treatise a book that seeks to bestow not just nuts and bolts mechanical advice but a philosophy of fencing that shows the swordsman not only the how but why It is this category of work that 30 year fencer and currently top ranked rapier fencer Rob Childs emulates After explaining the basics of his own eclectic system of rapier combat he walks students through a wide variety of topics how to choose the proper sword for you how to fence students of different sizes physical qualities and emotional temperaments how to adapt your approach to different contexts casual matches competitions and medals matches while maintaining martial

reality the use of sound body displacement to deceive the opponent and the most common tells fencers give and how to train them out of yourself while using them against your opponent Interwoven with personal anecdotes you will gain both a look into the mindset and training paradigm of a world class competitor the sort of advice athletes for generations have sought from highly skilled coaches and be entertained at Childs own adventures through the evolving world of historical swordsmanship Although centered on the rapier this work is really about fencing writ large and will be of value to anyone who has held a blade and heard the words en garde

Do it Yourself Carolyn M. Goldstein, 1998 Do It Yourself investigates the history behind the current do it yourself craze in homebuilding and home repair The origins of home improvement can be traced to the early part of the century when government loan programs placed home ownership within the reach of growing numbers of families mass circulation magazines began providing their readers with information about home remodeling and repair and increasing numbers of Americans turned to the manual arts and handicrafts as leisure time pursuits World War II provided many Americans with the skills and confidence to undertake home improvement projects on their own and after the war changes in the manufacturing and retail of tools and equipment created new possibilities for transforming one s home As home remodeling became a central feature of domestic life and consumer culture the do it yourself movement was born coming of age in the baby boomer 1950s and 1960s when Americans created suburban paradises and reclaimed decaying urban centers The text of Do It Yourself which investigates topics ranging from women s roles in home repair to historic preservation is a lively mix of illustrations including period photographs magazine spreads and advertisements and clearly written analysis of the trends behind these images
