- QUESTION**
1. Which of the following is a true statement regarding the relationship between the Federal Reserve and the Treasury Department?
- A. The Federal Reserve is an independent agency of the Treasury Department.
- B. The Federal Reserve is a separate entity from the Treasury Department.
- C. The Federal Reserve is a part of the Treasury Department.
- D. The Federal Reserve is a part of the Federal Reserve System.
- ANSWER**
- The correct answer is B. The Federal Reserve is a separate entity from the Treasury Department. The Federal Reserve is an independent agency of the United States government, established in 1913. It is not a part of the Treasury Department, although it is closely related to it. The Federal Reserve is responsible for conducting the nation's monetary policy, regulating the banking system, and maintaining the stability of the financial system. The Treasury Department is responsible for managing the government's finances, including collecting taxes and paying out government spending. The Federal Reserve and the Treasury Department work closely together to ensure the stability and health of the nation's economy.
