Marcus, 2012 Fundamentals of Corporate Finance by Richard A Brealey Stewart C Myers and Alan J Marcus has been applauded for its modern approach and interesting examples Professors praise the authors well organized and thoughtful writing style and their clear exposition of what many students consider difficult material The authors accomplish this without sacrificing an up to date technically correct treatment of core topic areas Since this author team is known for their outstanding research teaching efforts and market leading finance textbooks it s no surprise that they have created an innovative and market driven revision that is more student friendly than ever Every chapter has been reviewed and revised to reflect the current environment in corporate finance **Fundamentals of Corporate Finance** Ross/ Thompson, 2007 Continues to provide students with the tools they need for success in finance Students not only learn the basics but also how to apply corporate concepts to make decisions that maximise value Thoroughly revised and updated with new examples demonstrating the challenge of today s dynamic corporate world *Fundamentals of Corporate Finance* , 2012 **eBook** **Fundamentals of Corporate Finance 4e** David Hillier, 2021-10-05 Now in its fourth edition Fundamentals of Corporate Finance continues to use its engaging accessible narrative to give students an introductory overview of the key concepts in modern corporate finance and the strategies used by firms in this continually changing field The author uses years of expertise to guide readers through a framework of corporate finance providing readers with a solid foundation of knowledge With integrated theories and real world European examples the new edition presents the fundamentals of corporate finance in a clear and captivating way Key Features New Sustainability in Finance boxes provide awareness on how sustainability and corporate finance are interconnected in every day life Example boxes in every chapter provide real and hypothetical examples illustrating theoretical concepts such as calculating returns bond yields and equity Real World Insight boxes on prominent topics like mortgages investing and price models illustrate how corporate finance theories and concepts have been applied to business and decisions Up to date content reflecting the latest developments in the field including the growth of ethics and sustainability the emergence of cryptocurrencies and financial technology and the impact of Brexit on corporate finance practice Coverage of the Covid 19 pandemic and how this has and will impact the field of corporate finance in the future Material aligns with external syllabi from professional bodies including ACCA CIMA and ICAEW Fundamentals of Corporate Finance Stephen A. Ross, 1998-07-01 **Fundamentals of Corporate Finance** Stephen A. Ross, Aron

Thompson,2000-11-30 Retaining the intuitive approach to finance this book develops topics gently by first setting the framework then providing readers with a logical feel for the topic followed by a more rigorous development which is pulled together with a full theoretical treatment of the topic Real world examples are used *Fundamentals of Corporate Finance* Stephen A. Ross,Randolph W. Westerfield,Bradford Jordan,1999-10 This edition eliminates topics of dubious relevance downplays purely theoretical issues and minimizes the use of extensive and elaborate calculations to illustrate points that are either obvious or of limited practical use Consequently three basic themes become the central focus of this text intuition a unified valuation approach and managerial focus **Loose Leaf Fundamentals of Corporate Finance** Richard A. Brealey,Alan J. Marcus, Professor,Stewart C. Myers,2019-03-11 Brealey Fundamentals of Corporate Finance 10e is an introduction to corporate finance and focuses on how companies invest in real assets how they raise the money to pay for the investments and how those assets ultimately affect the value of the firm It also provides a broad overview of the financial landscape The book offers a framework for systematically thinking about most of the important financial problems that both firms and individuals are likely to confront Fundamentals is organized around the key concepts of modern finance These concepts properly explained simplify the subject They are also practical The tools of financial management are easier to grasp and use effectively when presented in a consistent conceptual framework This text provides that framework Loose Leaf for Fundamentals of Corporate Finance Bradford D. Jordan, Professor,Randolph W. Westerfield,Prof Stephen A. Ross,2021-03-01 Fundamentals of Corporate Finance was designed and developed for a first course in business or corporate finance for both finance majors and non majors alike The text is nearly self contained in terms of background or prerequisites assuming some familiarity with basic algebra and accounting concepts while still reviewing important accounting principles very early on The organization of this text has been developed to give instructors the flexibility they need The best selling text has three basic themes that are the central focus of the book 1 An emphasis on intuition the authors separate and explain the principles at work on a common sense intuitive level before launching into any specifics 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance 3 A managerial focus the authors emphasize the role of the financial manager as a decision maker and they stress the need for managerial input and judgment Loose Leaf for Fundamentals of Corporate Finance Randolph Westerfield,Stephen Ross,Bradford Jordan,2015-02-11 The best selling Fundamentals of Corporate Finance FCF has three basic themes that are the central focus of the book 1 An emphasis on intuition the authors separate and explain the principles at work on a common sense intuitive level before launching into any specifics 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance 3 A managerial focus the authors emphasize the role of the financial manager as decision maker and they stress the need for managerial input and judgment The Eleventh Edition continues the tradition of excellence that has earned Fundamentals of Corporate Finance its status as market leader McGraw Hill s adaptive learning
