Human Resource Management Practices Maike Andresen,Christian Nowak,2014-09-26 This book is designed to help practitioners and academics to assess the added value of HR practices It provides hands on recommendations for choosing effective means to manage HR and specific suggestions aimed at facilitating the measurement of HR practices impact on value creation Evidence based recommendations are made by drawing on thorough empirical research from various research traditions and academic disciplines It covers a wide variety of tasks faced by the HR function and specifically addresses new challenges such as assessing the added value of work life balance practices *Elite Youth Sport Policy and Management* Elsa Kristiansen,Milena M. Parent,Barrie Houlihan,2016-10-04 Elite youth sport competitions have increased significantly in number in recent years with the Youth Olympic Games representing the high point of this phenomenon This book examines the global context within which elite youth sport has emerged and continues to grow It explores elite youth sport policy across fifteen countries in Europe the Americas Africa and Asia addressing the questions of how youth talent development is organised and why elite youth sport has become so popular Taking a comparative global perspective the book analyses the growth in more systematic approaches to young athlete development and the increasing emphasis on early talent identification It discusses the attitude of stakeholders such as NGBs governments and sponsors towards elite youth sport while also considering how young elite athletes interests are protected and how the growth in elite youth sport affects a sports development strategy Written by a team of internationally renowned researchers *Elite Youth Sport Policy and Management* A comparative analysis is fascinating reading for all students scholars managers policy makers and coaches with an interest in youth sport elite sport development talent identification and sports policy **Corridors of Contagion** Victoria Law,2024-09-10 Tracing the narratives of five incarcerated individuals Sentenced to COVID speaks to the devastating impact of surviving the pandemic inside prison walls *Corridors of Contagion* brings to light the experiences of five people incarcerated across the United States as they navigate the onset of the pandemic and the many months stretched into years that followed Journalist Victoria Law combines this storytelling with a trenchant analysis of the structural failures of the US carceral system failures that made prisons uniquely vulnerable to COVID 19 outbreaks from overcrowding to solitary confinement from insufficient healthcare to life sentences The book portrays the horrors of continual lockdowns not in the comfort of one s own home but in prisons where routine violence and chaos is made even more unimaginable by the complete lack of control over protection from a terrifying and lethal new virus The pandemic provided an opportunity for lawmakers and policy makers to rethink the nation s addiction to perpetual punishment Instead US jails and prisons doubled down on punishment under the guise of pandemic protections As a result people behind bars experienced increased stress mental health challenges increased violence and higher rates of deaths many of which could have been prevented While the pandemic emergency has been declared over we are continuing to learn more about the extent of its destruction *Corridors of*

Contagion reminds readers about both the particular horrors experienced by people in cages and the continued role of the US as the world's prison nation

Fighting on the Cultural Front Hongshan Li, 2024-04-09 The Cold War conflict between the United States and the People's Republic of China did not only encompass political military diplomatic and economic clashes The two powers also confronted each other on the cultural front Despite a long history of extensive and mostly constructive cultural interactions the two nations cut off existing ties in the late 1940s and early 1950s and established new relationships aimed at attacking and isolating each other Even after Beijing and Washington permitted cultural exchange as part of their effort to normalize diplomatic relations in the 1970s the weaponization of cultural interactions continued Hongshan Li provides a groundbreaking account of the confrontation between the United States and the People's Republic of China on the Cold War's cultural front He investigates the origins evolution and significance of the role of cultural interactions in the shifting relations between the United States and the PRC from the late 1940s through the late 1970s Li demonstrates that the drastic transformation of U S China cultural interactions not only altered the course of Sino American cultural relations but also shaped the Cold War experience of the two peoples *Fighting on the Cultural Front* examines topics such as competition and conflicts over Chinese students and scholars stranded in the United States maneuvers on the authorization of journalistic exchanges the establishment of Taiwan as a cultural bastion and Beijing's promotion of its revolutionary ideology through individual U S citizens particularly African Americans This important book offers a new lens on the history of U S China relations and the cultural side of the global Cold War

Students With Interrupted Formal Education Brenda Custodio, Judith B. O'Loughlin, 2017-02-23 New hope for our most vulnerable English learners One of the guiding principles of effective English language teaching is for educators to know their students And that in a nutshell captures the value of this book The compassion that Custodio and O Loughlin feel for our SIFE students the commitment they have to educating them well and the comprehension they have of the assets these learners bring to the classroom are evident in the writing tools and vignettes they share Deborah J Short Under the best of circumstances the academic demands of today's classrooms can be daunting to our English learners But for the tens of thousands of newly arrived students with interrupted formal education even the social challenges can be outright overwhelming Rely on this all in one guide from Brenda Custodio and Judith O Loughlin for expert insight on how to build the skills these students need for success in school and beyond Inside you'll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for long term social and emotional health Recommendations for creating supportive environments at the classroom school and district level About one thing Brenda and Judith are absolutely convinced our SIFE students can learn and make progress often at a remarkable speed But it's up to us their educators to provide the time attention and a specific focus Consider this book your first step forward
