Curran, 2002 A History of Memorial Day is a study of how Memorial Day was viewed by many Americans as a vehicle of both national and international unity However this study also examines the surprising amount of controversy elicited by the celebration of Memorial Day finding that a substantial number of Americans value Memorial Day more as a holiday from work and an occasion for recreation and relaxation than as a time to honor the country's fallen heroes Letters and Speeches of the Honorable John F. Fitzgerald John Francis Fitzgerald, 1914 *Confirmation Hearing on Federal Appointments* United States. Congress. Senate. Committee on the Judiciary, 2004 Bowing Toward Babylon Craig Watts, 2017-03-08 What is being done in worship when national holidays are celebrated the American flag is displayed and honored and songs are sung that extol the nation Are these benign gestures Or could they actually be idolatrous In this insightful and persuasively argued study Craig M Watts contends the inclusion of elements of American nationalism in worship is detrimental to the integrity of Christian worship He maintains that in faithful worship the story of Jesus must be re presented and performed in such a way that the only affections and loyalty that are fostered are those Christians everywhere rightfully share To do otherwise opens the door to idolatry and leaves the church doing what Watts calls bowing toward Babylon He reviews the development of the symbols songs and gestures that celebrate America and how they were introduced into worship Watts concludes that the spirituality of American Christian nationalism does not complement the faith of the church but distorts it hindering global Christian unity and the peaceable witness of the church in a divided world *Hoosiers on the Home Front* Dawn Bakken, 2022-09-06 Wars are fought on the home front as well as the battlefield Spouses family friends and communities are called upon to sacrifice and persevere in the face of a changed reality *Hoosiers on the Home Front* explores the lives and experiences of ordinary Hoosiers from around Indiana who were left to fight at home during wartimes Drawn from the rich holdings of the Indiana Magazine of History a journal of state and midwestern history published since 1905 this collection includes original diaries letters and memoirs and research essays all focused on Hoosiers on the home front of the Civil War through the Vietnam War Readers will meet among others Joshua Jones of the 19th Indiana Volunteer Regiment and his wife Celia Attia Porter a young resident of Corydon Indiana writing to her cousin about Morgan's Raid Civil War and World War I veterans who came into conflict over the Indianapolis 500 and Memorial Day observances Virginia Mayberry a wife and mother on the World War II home front and university students and professors including antiwar activist Howard Zinn and conservative writer R Emmett Tyrrell Jr clashing over the Vietnam War *Hoosiers on the Home Front* offers a compelling glimpse of how war impacts everyone even those who never saw the front line **Occasion speeches** Henry Gaines Hawn, 1921 *Speeches and*
