Mentoring Boys To Men Climbing Their Own Mountains:

Mentoring Boys to Men Neal C. Lemery J.D.,2015-01-06 As a judge in rural Tillamook County Oregon Neal C Lemery watched for years as frustrated hopeless young men cycled through his courtroom Many of them ended up in Tillamook s local juvenile prison Lemery came to understand the reasons behind their failure poverty illiteracy abuse and absentee fathers Despite disapproval in his community Lemery began visiting the prison and speaking with these young men Many were hesitant at first but slowly their stories began to emerge Lemery was there to provide personal and legal advice and often simply to listen Most of them had never known a positive male role model Eventually Lemery s patience and tenderness paid off As walls came down new portraits emerged of boys who wanted to be decent caring contributing men but didn t know how Mentoring Boys to Men is the story of how the simple gifts of time and a compassionate ear made the difference in the lives of these juvenile offenders With his story Lemery hopes to inspire you to reach out to the rejected and vulnerable After reading this book your soul will rejoice at the idea of making a unique kind of personal profound and positive connection in your newfound young friends lives *MENTOR: Strategies to Inspire Young People* Robin Cox,2024-03-29 MENTOR Strategies to Inspire Young People provides over one thousand proven strategies and tips to encourage anyone working alongside young people to positively connect with them and guide them to reach their unique potential to achieve greatness in a meaningful developmental relationship This user friendly book promotes the spirit of mentoring among family friends schools and communities It awakens that spirit within the lives of all who guide and inspire young people and appreciate the value and importance of face to face relationships Robin Cox shares true stories of his and other mentors interactions with young people from a variety of cultures and ethnicities to give credibility to the strategies and tips mentioned in the book The challenges facing our young people in a post pandemic world are discussed and practical solutions are offered Anyone working with young people will feel equipped enabled and further empowered to take on a formal or informal mentoring role and will have an inspirational resource to consult in the years ahead *The Mountain and the Politics of Representation* Jenny Hall,Martin Hall,2023-11-01 The stories we tell published or otherwise condition our mountain experiences in practice and reinforce cultural memory and representation Yet as this book and the authors within it set out to demonstrate if we look beyond the boundaries of this singular white history there is a rich diversity of stories to tell This volume contributes to a growing body of scholarship that calls for a heterogeneity of voices in mountain memoir genres For the first time this diverse scholarship interrogates how mountaineering literary and media culture impact bodies spaces and places in order to nuance how commodification intersects across social categories and is embodied in multi dimensional ways In this volume we explore a burgeoning tradition of mountaineering literature of cinema and of memoir to appreciate difference beyond the habitual heroic white male adventurer that dominates screens and bookshelves Through exploring multidimensional axes of social differentiation from gender race class and age to dis ability and sexuality the book will

demonstrate how commodification is embodied through representation in mountaineering literature media film and memoir in mountaineering spaces Amongst our aims this book intends to understand how multiple social dimensions overlap and work to produce independent systems of exclusion and inclusion that focus on untraditional ways to be a mountaineer
