Is Any Increment This Year For Grade R Practitioners:

Twenty Years of Education Transformation in Gauteng 1994 to 2014 Maringe, Felix, Prew, Martin, 2015-05-05
Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years

Practitioner's Guide to Curriculum-Based Evaluation in Reading Jason E. Harlacher, Tami L. Sakelaris, Nicole M. Kattelman, 2013-12-11 The educators are dedicated and concerned The curriculum is successful Yet some students aren't reading at grade level and meetings air problems without making progress Many students continue to flounder leading to more meetings with the same lack of meaningful results The Practitioner's Guide to Curriculum Based Evaluation in Reading gives researchers and professionals the means to break this frustrating cycle crafted by authors who have not only been there and done that but can explain in depth how to replicate the method Focusing on reading but applicable across subject areas this highly accessible guide defines curriculum based evaluation CBE provides conceptual background and analyzes its component steps Assessment and intervention are given equal attention within a problem solving model featuring tools for skill assessment progress monitoring goal setting and other bedrock tasks Chapters build to lead readers beyond classroom strategies to guidelines for problem solving and decision making to effectively address individual student needs Included in the coverage The curriculum based evaluation process Relating CBE to the Multi Tier System of Support model Using CBE in daily practice both in classwork and schoolwide Decoding early literacy and reading comprehension Progress monitoring and decision making Plus FAQs handouts and other supplemental materials This level of educational insight and pedagogical detail make the Practitioner's Guide to Curriculum Based Evaluation in Reading a clarion call for researchers graduate students and professionals in school and clinical child psychology assessment testing and evaluation applied linguistics language education special education and allied education educational psychology and social work
