Is Drudge Report Conservative Or Liberal

Mike Jess

Is Drudge Report Conservative Or Liberal:

An Unprecedented Election Benjamin R. Warner, Dianne G. Bystrom, Mitchell S. McKinney, Mary C. Banwart, 2018-02-21
Written by leading scholars of political communication this book provides a comprehensive accounting of the campaign communication that characterized the unprecedented 2016 presidential campaign. The political events leading up to election day on November 8, 2016, involved unprecedented events in U.S. history. Hillary Clinton was the first woman to be nominated by a major party and she was favored to win the highest seat in the nation. Donald Trump, arguably one of the most unconventional and most unlikely to succeed candidates in U.S. history, became the leading candidate against Clinton. Then an even more surprising thing happened: Trump won an outcome unexpected by all experts and statistical models. **An Unprecedented Election: Media Communication and the Electorate in the 2016 Campaign** presents proprietary research conducted by a national election team and leading scholars in political communication and documents the most significant and in some cases the most shocking features of the 2016 U.S. presidential election. The information presented in this book is derived from national surveys, experiments, and textual analysis and helps readers grasp the truly unique characteristics of this campaign that make it unlike any other in U.S. history. The chapters explain the underlying dynamics of this astonishing election by assessing the important role of both traditional and social media, the evolving and potentially diminishing influence of televised campaign advertisements, the various implications of three historic presidential debates, and the contextual significance of convention addresses. Readers will come away with an appreciation of the content and effects of the campaign communication and media coverage as well as the unique attributes of the electorate that ultimately selected Donald Trump as the 45th president of the United States.

Affective Politics of Digital Media Megan Boler, Elizabeth Davis, 2020-09-02 This interdisciplinary international collection examines how sophisticated digital practices and technologies exploit and capitalize on emotions with particular focus on how social media are used to exacerbate social conflicts surrounding racism, misogyny, and nationalism. Radically expanding the study of media and political communications, this book bridges humanities and social sciences to explore affective information economies and how emotions are being weaponized within mediatized political landscapes. The chapters cover a wide range of topics: how clickbait, fake news, and right-wing actors deploy and weaponize emotion; new theoretical directions for understanding affect algorithms and public spheres; and how the wedding of big data and behavioral science enables new frontiers of propaganda as seen in the Cambridge Analytica and Facebook scandal. The collection includes original interviews with luminary media scholars and journalists. The book features contributions from established and emerging scholars of communications, media studies, affect theory, journalism, policy studies, gender studies, and critical race studies to address questions of concern to scholars, journalists, and students in these fields and beyond.

Covering American Politics in the 21st Century Lee Banville, 2016-12-12 This encyclopedia provides a real-world guide to American political journalism and news coverage in the

21st century from the most influential media organizations and pundits to the controversies and practices shaping modern day political journalism Over the last 20 years political campaigns and the media that cover them have been fundamentally altered by a mix of technology and money This timely work surveys the legal financial and technological changes that have swept through the political process putting those changes in context to help readers appreciate how they affect what the public learns and doesn't learn about the candidates and lawmakers at the local state and federal levels The encyclopedia offers a critical examination of a broad range of topics organized in a narrative A to Z format Written by journalists and political experts the two volumes cover the major issues organizations and trends affecting both politics and the coverage of political campaigns Some 200 entries treat everything from news organizations think tanks and significant individuals to questions concerning money advertising and campaign tactics Objective unbiased and comprehensive the encyclopedia is an unequalled resource for anyone seeking to understand American political journalism and news coverage in the 21st century

The Rise of Illiberalism Thomas J. Main, 2022-01-04 How a more positive form of identity politics can restore public trust in government Illiberalism Thomas Main writes is the basic repudiation of liberal democracy the very foundation on which the United States rests It says no to electoral democracy human rights the rule of law toleration It is a political ideology that finds expression in such older right wing extremist groups as the Ku Klux Klan and white supremacists and more recently among the Alt Right and the Dark Enlightenment There are also left of center illiberal movements including various forms of communism anarchism and some antifascist movements The Rise of Illiberalism explores the philosophical underpinnings of this toxic political ideology and documents how it has infiltrated the mainstream of political discourse in the United States By the early twenty first century Main writes liberal democracy's failure to deal adequately with social problems created a space illiberal movements could exploit to promote their particular brands of identity politics as an alternative A critical need thus is for what the author calls positive identity politics or a widely shared sense of community that gives a feeling of equal importance to all sectors of society Achieving this goal will however be an enormous challenge In seeking actionable remedies for the broken political system of the United States this book makes a major scholarly contribution to current debates about the future of liberal democracy

Asymmetric Politics Matt Grossmann, David A. Hopkins, 2016-08-10 Why do Republican politicians promise to rein in government only to face repeated rebellions from Republican voters and media critics for betraying their principles Why do Democratic politicians propose an array of different policies to match the diversity of their supporters only to become mired in stark demographic divisions over issue priorities In short why do the two parties act so differently whether in the electorate on the campaign trail or in public office Asymmetric Politics offers a comprehensive explanation The Republican Party is the vehicle of an ideological movement while the Democratic Party is a coalition of social groups Republican leaders prize conservatism and attract support by pledging loyalty to broad values Democratic leaders instead seek concrete government action appealing to voters group identities and interests by endorsing

specific policies This fresh and comprehensive investigation reveals how Democrats and Republicans think differently about politics rely on distinct sources of information argue past one another and pursue divergent goals in government It provides a rigorous new understanding of contemporary polarization and governing dysfunction while demonstrating how longstanding features of American politics and public policy reflect our asymmetric party system The State of the Parties John J. Green, Daniel J. Coffey, David B. Cohen, 2014-08-21 Continuing a three decade tradition The State of the Parties 7th edition brings together leading experts to evaluate change and continuity in American electoral politics Political parties in America have never been more contentious and divided than they are right now Even splits within the parties themselves have the power to elevate relatively unknown candidates to power and topple established incumbents With sections devoted to polarization and the electorate polarization and political elites tea party politics super PACS and partisan resources and partisan activities the contributors survey the American political landscape They pay special attention to polarization between and within the parties in the aftermath of the 2012 election demographic changes to America s political parties the effects of new media and campaign finance laws on national and local electoral results the Tea Party s rise and as always the implications of all these factors on future policymaking and electoral prospects The State of the Parties 7th edition offers an indispensable guide to American politics for scholars students and practitioners Contributions by Alan Abramowitz Paul A Beck Michael John Burton Edward G Carmines Daniel J Coffey William F Connelly Jr Meredith Dost Diana Dwyre Michael J Ensley Peter L Francia Erik Heidemann Shannon Jenkins Caitlin E Jewitt David C Kimball Robin Kolodny Thad Kousser David B Magleby Seth Masket William G Mayer Eric McGhee William J Miller Jonathan S Morris Ronald Rapoport Douglas D Roscoe Dante Scala Daniel M Shea Boris Shor Walter Stone Jeffrey M Stonecash Eric C Vorst Michael W Wagner **Culture Wars** Roger Chapman, 2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar **A Cultural Indicators Approach to Understanding the Impact of Media Images of Arab People on Public Opinion Regarding Civil Liberties** Janie Diels, 2006 *The Dark Side of Liberalism* Phil Kent, 2003 This book comes from a man on the front lines fighting daily battles with liberals in the courts of law and public opinion It challenges conservatives to speak out with forceful clarity on America s big issues race relations government s role in our lives political correctness the media immigration environment the runaway court system and its impact on freedom American Government Karen O'Connor, Larry Sabato, 1999 The fourth biennial update of a textbook for an introductory course Revised especially in the Interest Group Politics section to integrate events through the Starr Report but not impeachment hearings Also considers debates about campaign finance economic and political changes in Russia and Jap Gaslighting America Amanda Carpenter, 2018-05-01 An examination of how Donald Trump s lies and fabrications enthrall us and how we can avoid falling for them Far too many people believe President Trump s next outburst will be the one that

finally brings him down In fact the exact opposite is true his outrageous antics and wild lies are his biggest strength This may drive you crazy CNN contributor ex Ted Cruz staffer and Never Trump adherent Amanda Carpenter says that s the point Over the years Trump has developed a winning formula that forces anyone who stands in his way into a discombobulated state of weakness and confusion In *Gaslighting America* Carpenter breaks down Trump s playbook showing why it s practically foolproof manipulating all the major players the Republicans the Democrats the media and the victims of his method perfectly She traces how this tactic started with Nixon gained traction with Bill Clinton and exploded under Trump Carpenter explains that when Trump seizes control over the political narrative he always follows the same steps First he stakes out political territory no one else would dare occupy taking over the news cycle Next he denies responsibility while simultaneously advancing the story His third step may be his most maddening he creates suspense for his story by saying more information is coming soon His fourth step is carefully selecting a detractor to attack often finding the weakest opponent or someone who will be severely damaged by taking a roll in the mud with him If he s successful and sometimes even when he s not he ll proceed to the fifth step declaring victory under any circumstance As a former communications staffer to Ted Cruz Amanda Carpenter witnessed how her fellow Republicans fell in line behind Trump As a political commentator she was publicly smeared by one of his supporters on live television without a shred of evidence supporting the allegations Slowly she watched her entire party succumb to Trump and become defenders of his tactics In this lively and thorough book Carpenter skillfully gives Republicans and Democrats the information the need to counter President Trump s most valuable weapon

The New Media Environment Andrea L. Press, Bruce A. Williams, 2010-07-26 Media Studies examines the new and rapidly developing field of media studies to discover what insights it has to offer students and general readers as they negotiate their way through the new and thoroughly saturated media environment Explores how recent changes in our media affect the way we watch older media like television movies and radio and offer up rich new interactive media like video games and the internet The perfect introduction to the field of media studies Chronicles the recent dramatic changes in communication technologies arguing that most of life itself is now experienced as mediated Discusses the development of cable and satellite television VCRs DVDs the internet and personal computers Emphasizes the broader political social and economic context within which these important new technologies have developed [Text Messaging](#)

John Alberti, 2009 **What Liberal Media?** Eric Alterman, 2003-02-05 Refuting the claim that mainstream media has a liberal slant the author exposes the fallacy of a left wing conspiracy arguing that it is corporate news structure that determines what the public sees and hears in broadcast or print media *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2008-02 *The Way to Win* Mark Halperin, John Furby Harris, 2006 Revealing how the White House will be won in 2008 two of the country s most accomplished political reporters explain what separates the victors from the victims in the unforgiving environment of

modern presidential campaigns *American Government 2004* Larry J. Sabato, Stefan Haag, Karen J. O'Connor, Gary Keith, 2004 O Connor Sabato s best selling American government text with seven chapters on Texas politics and government Offers a historical perspective of American Texas government Brings everything right up to the present with an abundance of current and student relevant examples New Join the Debate On Campus boxes engage students in the material New Analyzing Visuals boxes help develop visual literacy skills **The Economist** ,2008 **Media Bias** Stuart A. Kallen, 2004 A contentious debate has been raging over the issue of media bias While many believe that the media has a liberal slant others say the media is biased towards conservative or corporate interests Media Bias covers all sides of this dispute with experts opinions from across the political spectrum Annual Editions: Mass Media 07/08 Joan Gorham, 2007-03-12 This Fourteenth Edition of ANNUAL EDITIONS MASS MEDIA 07 08 provides convenient inexpensive access to current articles selected from the best of the public press Organizational features include an annotated listing of selected World Wide Web sites an annotated table of contents a topic guide a general introduction brief overviews for each section a topical index and an instructor s resource guide with testing materials USING ANNUAL EDITIONS IN THE CLASSROOM is offered as a practical guide for instructors ANNUAL EDITIONS titles are supported by our student website www.mhcls.com online

Unveiling the Magic of Words: A Report on "**Is Drudge Report Conservative Or Liberal**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
