Losing Me, Finding Me Cynthia M. Spencer MBA MDiv, 2019-06-06 Losing me Finding Me is an adventure that will change you your size your health and much more to the degree that you are willing to change habits During this course you will be recognizing habits you have and learning and deciding which habits to retain which to let loose and what new ones you d like to include in your life It is a three month class to help you lose layers of excess fat as well as lists of shoulds and big concrete blocks of I can t Topics covered are nutrition fitness sleep stress emotions mind relationships spirit visioning and mindfulness all working together under your own guidance to create a balanced integrated and happy you *English Grammar* Evelyn P. Altenberg, Robert M. Vago, 2010-05-27 Looking for an easy to use guide to English grammar This handy introduction covers all the basics of the subject using a simple and straightforward style Students will find the book s step by step approach easy to follow and be encouraged by its non technical language Requiring no prior knowledge of English grammar the information is presented in small steps with objective techniques to help readers apply concepts With clear explanations and well chosen examples the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics *Flight*, 1929 **Emotional Intelligence at Work** Chi-Sum Wong, 2015-08-27 Emotional intelligence is a very popular concept since it was made known to the general public in 1995 However it was under severe criticisms among scientific researchers and a lot of them did not believe that it should be accepted by scientists as true knowledge The author of this book who is one of the pioneers in this topic spent sixteen years to study this concept Together with other researchers they gradually changed the conclusion of early researchers Using rigorously scientific standards this research team demonstrated that emotional intelligence is an intelligence dimension that has significant impact on various life outcomes such as life satisfaction and job performance They developed testable theoretical framework for emotional intelligence in the workplace and attempted to show that the trainability of emotional intelligence is larger than traditional intelligence concept The book looks at not only the scientific reports but all the stories behind some of the rigorous scientific studies in the author s 18 year journey Their choice of research designs and how the designs are suitable to provide scientific evidence to demonstrate the validity of emotional intelligence are also described Through this book the process of scientific enquiry and important issues concerning the emotional intelligence concept are revealed in details by vivid stories and rigorous scientific reports **Service**, 1911 Study Guide for the Telecourse Project Universe Joel M.
