Lei Huang

July 2015 Watchtower Study Guide:

Jehovah's Witnesses George D. Chryssides,2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah s Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah s Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society s origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic

Melting Pot or Civil War? Reihan Salam,2018-09-25 Long before Covid 19 and the death of George Floyd rocked America Reihan Salam predicted our current unrest and provided a blueprint for reuniting the country Tthe years to come may see a new populist revolt driven by the resentments of working class Americans of color For too long liberals have suggested that only cruel racist or nativist bigots would want to restrict immigration Anyone motivated by compassion and egalitarianism would choose open or nearly open borders or so the argument goes Now Reihan Salam the son of Bangladeshi immigrants turns this argument on its head In this deeply researched but also deeply personal book Salam shows why uncontrolled immigration is bad for everyone including people like his family Our current system has intensified the isolation of our native poor and risks ghettoizing the children of poor immigrants It ignores the challenges posed by the declining demand for less skilled labor even as it exacerbates ethnic inequality and deepens our political divides If we continue on our current course in which immigration policy serves wealthy insiders who profit from cheap labor and cosmopolitan extremists attack the legitimacy of borders the rise of a new ethnic underclass is inevitable Even more so than now class politics will be ethnic politics and national unity will be impossible Salam offers a solution if we have the courage to break with the past and craft an immigration policy that serves our long term national interests Rejecting both militant multiculturalism and white identity politics he argues that limiting total immigration and favoring skilled immigrants will combat rising inequality balance diversity with assimilation and foster a new nationalism that puts the interests of all Americans native born and foreign born first
