Matric Exam Paper Sa Criminal Law 2012:

Smart Contracts and Comparative Law Andrea Stazi, 2021-12-08 The book analyzes the most relevant developments in the relation between contracts and technology from automatically concluded contracts to today's revolutionary smart contracts developed through blockchain which are beginning to and will increasingly disrupt many economic and social relations First of all the author offers a broad analysis of the peculiarities and evolution of the relation between contracts and technology The main features and elements of electronic contracts are then examined in depth to highlight the specific rules applicable to them in the international comparative legal framework In turn the book provides a detailed explanation of the technology economic and social dynamics and legal issues concerning blockchain and smart contracts The analysis focuses on the question of the legal nature of smart contracts the issues posed by their development and the first legal solutions adopted in some countries The comparative approach pursued makes it possible to focus attention on the first solutions adopted until now in various systems with particular regard to the circulation of models and ideas and to the specificities of their local variations in terms of e g applicable law and jurisdiction In reviewing the characteristics of distributed ledger technologies and in particular of the blockchain technology on which smart contracts are based above all the peculiarities of the latter are taken into consideration especially automatic execution and resistance to tampering which simultaneously present significant opportunities and complex legal issues A comprehensive framework is then provided to reconcile smart contracts with comparative contract law in order to define the scope and specificities of their binding force legal effectiveness and regulation in various legal systems Lastly with specific reference to the elements pathologies and contractual remedies for smart contracts the book examines the peculiarities of their application and the main issues that emerge in comparative contract law in order to promote their harmonized use in keeping with the transnational nature of such a revolutionary tool

Sentencing Rape Graeme Brown, 2020-05-14 This book presents an in depth comparative study of sentencing practice for rape in six common law jurisdictions England and Wales Scotland Ireland Canada New Zealand and South Africa It provides a thorough review of the medical literature on the physical and psychological effects of rape the legal and philosophical literature on the seriousness of the offence and the victim's role in sentencing Given the increasingly common practice of perpetrators using mobile and online technologies to film or photograph the commission of sexual offences the book examines recent socio legal research on technology facilitated sexual violence and considers the implications for sentencing By building on recent scholarship on judicial decision making in sentencing and case law comprising over 250 decisions of the relevant appellate courts the book explores and critically analyses judicial approaches to rape sentencing The analysis is undertaken with a view to suggesting possible reforms to rape sentencing in non guideline jurisdictions In so doing this book seeks to establish general principles for sentencing rape assisting in the imposition of proportionate sentences This book will be of interest to judges and practising lawyers to those researching criminal law

criminal justice criminology and gender studies and to policy makers including sentencing councils and commissions in common law jurisdictions worldwide *Essays in Law and History for David Ibbetson* Joe Sampson, Stelios

Tofaris, 2024-12-12 Over the last 40 years David Ibbetson has paved the way in a remarkably broad range of fields In ancient law his scholarship has spanned both the detailed doctrine of the Roman law of obligations and the cross pollination of legal influences around the ancient Mediterranean His work on English legal history has ranged from the earliest days of the common law through to the turn of the 20th century combining forensic archival research with a sensitivity to how lawyers thought about their subject In European legal history he has shown the porousness of the civil law and the extent to which it has been shaped by other areas of intellectual life from theology to rationalist philosophy The contributions to this volume in his honour mirror both the breadth and the depth of Ibbetson s scholarship The book combines chapters from leading legal historians close colleagues and over a dozen of Ibbetson s students Some chapters build upon or respond to Ibbetson s ideas others his areas of interest The contributions are introduced by Ibbetson s valedictory lecture on the importance of legal history to modern practice and scholarship and the work yet to be done **Victimology** Rejani Thudalikunnil

Gopalan, 2022-10-27 The term victim refers to a person harmed injured or killed as a result of a crime accident or other event or action Victimology focuses on the victimization in terms of psychological effects impact on criminal justice system and new policies and it is a major aspect in the area of forensic field Victimization can occur due to abuse assault maltreatment war terrorism crimes and it can happen in different settings like home school and public In the past more emphasis was given to perpetrators and various theories tried explain the behavior of perpetrator and their offences Recently researchers started focusing different aspects of victimology and explored risk factors for becoming victim reasons for repeated victimization and forensic psychological and social dimensions of victims and consequences of victimization But there is a need for new theories and researches to have more thorough understanding of victimization The field of criminology dealt with crimes and various theories has developed to explain why crime occurs and more focused on perpetrators A crime involves perpetrator and victim and not much attention has been given to the victim until recently What happens to a victim what are the psychological and social consequences of a harmful act to a victim vulnerabilities to become a victim are getting serious attention now a days and started influencing the criminal justice system The psychological and social impacts of victimization may be a short or long duration but the impacts cannot be ignored The legal remedies and psychological healings are important aspects of victimization While considering these factors the book would be focusing on origin and scope of victimology different types of victimization such as sexual abuse domestic violence maltreatment cyber crimes war and terrorism natural calamities victimization at school and work place human trafficking crime against persons crime against property white collar crime elder abuse victim with disabilities secondary victim and re victimization and its psychological impacts and related issues The book would also focus on victimology and forensic factors and its influence on criminal justice
