

Call to Worship

Grace and peace to you in Jesus, liberating light of the world,
And also with you.

Jesus, in the gospels we read that you went from town to village teaching,

Come and teach us today.

Jesus, in you we learn of God's heart,

Teach us God's will.

Jesus, in you we learn how to be fully human,

Teach us what it means to be fully alive.

Jesus, in you we learn what makes for peace,

Teach us to do justice, love mercifully and walk humbly.

Jesus, the fabric of our world is being torn apart,

Save us from denial. Shatter our complacency.

Jesus, the fabric of our world is being torn apart,

Save us from despair. Remind us that *even now* we can act.

Jesus, when we are tempted by certainty. The certainty of optimism or the certainty of pessimism.

Draw us into the hopefulness of spacious uncertainty.

Of perhaps. Of possibility.

Of surprise that flows from trusting in your vulnerable ways.

Your mother-hen-like ways in a fox-run world.

Gather us today under the wings of your teaching.

Amen.
