man confesses to murdering his family and Amos called to help with the investigation struggles with the memories The Last Mile David Baldacci, 2016-04-19 When a convicted killer is saved by another man's confession Amos Decker now an FBI special task force detective must find the truth in this utterly absorbing 1 New York Times bestseller Associated Press Convicted murderer Melvin Mars is counting down the last hours before his execution for the violent killing of his parents

twenty years earlier when he's granted an unexpected reprieve. Another man has confessed to the crime. Amos Decker, newly hired on an FBI special task force, takes an interest in Mars's case after discovering the striking similarities to his own life. Both men were talented football players with promising careers cut short by tragedy. Both men's families were brutally murdered. And in both cases, another suspect came forward years after the killing to confess to the crime. A suspect who may or may not have been telling the truth. The confession has the potential to make Melvin Mars guilty or not a free man. Who wants Mars out of prison. And why now? But when a member of Decker's team disappears, it becomes clear that something much larger and more sinister than just one convicted criminal's life hangs in the balance. Decker will need all of his extraordinary brainpower to stop an innocent man from being executed.

The Fallen David Baldacci, 2018-04-17. Star. FBI detective Amos Decker and his colleague Alex Jamison must solve four increasingly bizarre murders in a dying rust belt town, and the closer they come to the truth, the deadlier it gets. In this rapid-fire 1 New York Times bestseller, something sinister is going on in Baronville. The rust belt town has seen four bizarre murders in the space of two weeks. Cryptic clues left at the scenes, obscure bible verses, odd symbols have the police stumped. Amos Decker and his FBI colleague Alex Jamison are in Baronville visiting Alex's sister and her family. It's a bleak place, a former mill and mining town with a crumbling economy and rampant opioid addiction. Decker has only been there a few hours when he stumbles on a horrific double murder scene. Then the next killing hits sickeningly close to home. And with the lives of people he cares about suddenly hanging in the balance, Decker begins to realize that the recent string of deaths may be only one small piece of a much larger scheme with consequences that will reach far beyond Baronville. Decker, with his singular talents, may be the only one who can crack this bizarre case. Only this time, when one mistake could cost him everything, Decker finds that his previously infallible memory may not be so trustworthy after all.

Long Shadows David Baldacci, 2022-10-11. From the author of *The 6 20 Man*, Memory Man, Amos Decker, an FBI consultant with perfect recall, delves into a bewildering double homicide in this thriller. In David Baldacci's 1 New York Times bestselling series, when Amos Decker is called to South Florida to investigate a double homicide, the case appears straightforward. A federal judge and her bodyguard have been found dead, the judge's face sporting a blindfold with two eye holes crudely cut out, a clear sign that she'd made one too many enemies over her years on the bench. What at first seems cut and dry is anything but. Not only did the judge have more enemies than Decker can count from violent gang members, drug dealers, and smugglers to a resentful ex-husband, but the bodyguard presents additional conundrums that muddy the waters even further. Who was the real target in this vicious attack? Meanwhile, Decker must contend with a series of unsettling changes, including a new partner, Special Agent Frederica "Freddie" White, and a devastating event that brings Decker's own tragic past back to the present and forces him to reckon with his future. As potential witnesses start disappearing, Decker and White are inexorably pulled down a twisted tunnel of secrets, crimes, and scandal at the end of which lies Decker's deadliest threat yet.
