Lead and Succeed Like the World's Greatest Business Innovator. There's no accounting for Steve Jobs's mind. He just didn't think the way the rest of the world does. Regarded by many as the most innovative and influential business leader of our time, Jobs was a visionary beyond compare. He was why Apple is Apple and everyone else is everyone else. While the results of this model can be profound, each step is something you can easily focus on with clarity and purpose.
