Interdisciplinaria Archaeologica – Natural Sciences in Archaeology

Journal profile

The focus of *Interdisciplinaria Archaeologica – Natural Sciences in Archaeology* is the ongoing cooperation of archaeology with the natural sciences and other disciplines. The journal's interests include bioarchaeology (archaeobotany, archaeozoology, archaeogenetics and anthropology), geoarchaeology (petro-archaeology, micromorphology) and dating methods in archaeology. We will publish contributions that aim to solve archaeological questions utilizing the methods of the natural sciences and other fields. The birth of IANSA reflects the growing need of scientists in central Europe to access an international journal focused on the methods of the natural sciences and multidisciplinary cooperation in archaeology. The growth of natural science methodologies within archaeology has been very dynamic. It is anticipated that our target group of readers will also grow in the coming years and, along with traditional archaeological institutions, will gradually include specialized natural science institutions (natural science departments associated with archaeology focused museums, specialized laboratories, etc.) in the Czech Republic and abroad. IANSA also aims to provide a niche for historical studies, particularly those that cooperate with the natural sciences and archaeology.

The journal is strictly scientific, peer reviewed, and publishes only in British English. Each article is reviewed by two specialists in fields related to the content of the article. Our goal is to establish IANSA as a high quality specialty periodical, cited by the international Thomson Reuters Journal Citation Report (JCR), and with a high level JCR "Impact Factor". A hardcopy of the journal is issued semi-annually, on glossy paper, and with an initial circulation of 500 pieces. It is available in electronic form on the journal's web page www.iansa.eu.

Submission process

Submissions are preferred in electronic formats and should be directed to mlejnec.o@seznam.cz. Appendices and figures can be submitted by CD or DVD to the *Archaeological Centre of Olomouc (Archeologické centrum Olomouc, U Hradiska 42/6, 779 00 Olomouc-Klášterní Hradisko)*. Alternatively, submissions can be made through <http://www.uschovna.cz/en/> or preferably <http://sharegadget.com/>. When using these services please direct your file to the abovementioned e-mail. It will soon be possible to deliver your submission via webform at the IANSA website www.iansa.eu.

Review process

All submissions must undergo a review process. Submitted manuscripts are presented by the Executive Editor to the Editorial Board, which appoints two reviewers, and decides whether to accept or refuse the submission. The review process is unilaterally anonymous. Reviewed submissions, with comments, are forwarded to the author immediately after receipt at the editorial office. The author is invited to resubmit the article in consideration of the reviewers' comments. If the author refuses, the editorial board has the right to refuse further consideration of the submission.

The evaluation and the decision process for each submission is as follows:

Journal Of Business Research Guidelines For Authors Introduction

In today's digital age, the availability of Journal Of Business Research Guidelines For Authors books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Journal Of Business Research Guidelines For Authors books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Journal Of Business Research Guidelines For Authors books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Journal Of Business Research Guidelines For Authors versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Journal Of Business Research Guidelines For Authors books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Journal Of Business Research Guidelines For Authors books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Journal Of Business Research Guidelines For Authors books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Journal Of Business Research Guidelines For Authors books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
