John Connolly

Memorandum Of Life Science Paper 1 Feb March 2014:

Technological Innovation in Legacy Sectors William B. Bonvillian, Charles Weiss, 2015-08-18 The American economy misses opportunities for innovation growth and job creation because of a neglected problem the resistance to innovation from Legacy sectors like energy manufacturing and health care which constitute most of our economy The book offers systematic strategies to overcome the structural obstacles to innovation in critically important Legacy sectors

The Heartbeat of Innovation Edward Shorter, Hugh E. Scully, Bernard S. Goldman, 2022-03-01 Great innovations take place within great institutions Founded in 1819 Toronto General Hospital TGH is one of Canada's oldest hospitals and has created a nurturing environment for early Canadian innovations in heart surgery The Heartbeat of Innovation tells the story of the brilliant surgeons who worked there and the hospital environment that provided an incubator to the many people skilled perfusionists dedicated nurses and pioneering cardiologists who participated in the revolution in heart surgery that took place along University Avenue in Toronto Supported by historical records hospital archives personal memoirs and interviews this book is an extensive and descriptive account of the seemingly inexorable development of cardiac surgery at this leading academic health science centre It pursues several themes the complexity of this surgical specialty its generally male dominated nature the trend toward teamwork in practice and the evolution and incorporation of original research into this branch of healthcare These strands are woven together to demonstrate how the TGH has evolved into such a dominant leader in the competitive and demanding field of cardiac surgery Canadian hearts may beat with pride at the knowledge that one of the major stories in modern medicine took place here and continues here

Ecosystem-Based Fisheries Management Jason S. Link, Anthony R. Marshak, 2022-01-25 By examining a suite of over 90 indicators for 9 major US fishery ecosystem jurisdictions the authors systematically track the progress the country has made towards advancing EBFM and making it an operational reality lessons which are applicable to oceans globally

The Politics and Crisis Management of Animal Health Security John Connolly, 2016-03-09 The Politics and Crisis Management of Animal Health Security addresses the 2001 foot and mouth epidemic in the United Kingdom one of if not the most significant crises ever to face the UK farming industry Underpinned by interviews with politicians and bureaucrats and with significant primary documentary analysis the book shows that the crisis was a critical juncture in how disease outbreaks have been planned and managed ever since The author explores how this event affected policy and governance arrangements for managing subsequent disease induced threats such as avian influenza and bovine TB and concludes by considering the temporality of lesson learning by the UK government including the current and future challenges associated with managing incongruent risks e.g. flood protection swine flu and Ebola This book provides students of public policy and administration with a significant illustration of how key concepts and analytical lenses from public policy can be applied to the study of the contours of practical policy change
