

Janson's History of Art

The book cover features a reproduction of Johannes Vermeer's painting 'The Astronomer'. The central figure is a young man with a fair complexion and a serious expression, looking slightly to the right. He is dressed in a dark, high-collared garment with a large, ornate white lace ruff. A black choker with a circular pendant is visible around his neck. His hands are positioned in front of him, holding a celestial globe. The background is a dark, atmospheric landscape with a small, bright circular light in the upper right corner. The overall style is characteristic of the Dutch Golden Age.
