Moral Catechesis and Catholic Social Teaching

Joaquim Parron Maria, 2003-04-18 The purpose of this book is twofold first to examine whether and to what extent three representative catechisms widely used in Latin America have incorporated official Catholic social teaching and second to suggest ways in which Catholic social teaching can be further integrated into catechetical approaches In the same way this approach tries to grasp and give some contributions to the call of Pope John Paul II to the Church in the American continents Ecclesia in America for developing a catechesis for social justice and peace Thus this book addresses and proposes some lines of development to integrate social ethics into moral catechesis
