*National Physical Therapy Examination Review and Study Guide* Susan B. O'Sullivan, Raymond Siegelman, 2011-01-01

TherapyEd's 2011 NPTE Review and Study Guide is the industry's most respected and comprehensive guide. Its authors Susan O'Sullivan and Raymond Siegelman are two of the most distinguished educators in the profession and our exceptional contributors include program directors, senior faculty members, board-certified specialists, and experienced clinicians. The 2011 Review and Study Guide prepares students for the NPTE with a comprehensive review of physical therapy content, study and test-taking strategies, state licensure information, and three complete simulated exams on CD. Each of the 600 questions has complete rationales for all correct and incorrect choices, and a second critical reasoning rationale identifies the reasoning strategy used: inductive, deductive, analysis, inference, or evaluation methodology required, and specific area of knowledge needed to correctly answer each question. The New CD has Pass the NPTE software that provides the unique ability to create an exam using the entire 600 question database. Test yourself in specific domains, content categories, and critical reasoning skills, or limit the number of questions to fit the time available. The software is the most advanced in the industry and improves your exam performance efficiently and effectively.

Résumé de l'auteur

National Physical Therapy Examination Susan B. O'Sullivan, Raymond P Siegelman, 2018

The new 21st edition NPTE Review Study Guide for 2018 contains comprehensive content review, 3 complete practice exams, new clinical practice guidelines for evidence-based practice, and new photographs illustrating tests for UE, LE, Spine, Pelvis, and TMJ. The current Content Outline focuses on the major systems, and our authors, instructors, and item writers have created new questions, content, and teaching strategies to help candidates pass the exam.

TherapyEd's NPTE Review Study Guide is recognized as the most trusted resource in exam preparation by students, faculty, and practicing therapists throughout the country. The ONLY Guide updated every year to stay current with the exam, it includes a comprehensive review of physical therapy content, study and test-taking strategies, current licensure information, and three complete simulated exams online. All sample exam items are categorized according to the current Content Outline and challenge students to properly prepare for the breadth, depth, and rigor of the NPTE.
