This definite manual to understanding managing and preventing the diseases offers the most comprehensive and up to date information. Rely on the Cancer Survival Guide to address every facet of this illness that not only affects the sufferer's physical well being and lifestyle but one whose reverberations are also felt emotionally and spiritually impacting family friends and caregivers alike **Heal Your Leaky Gut** David

Brownstein, 2017-08-08 Most illnesses start in the gut including many you would not even think of. If your gut isn't functioning right it sets the stage for illness and disease. The gut the gastrointestinal system is designed to absorb nutrients that support our bodies and help us make energy and get rid of things that we don't need or are toxic. But what happens when the system breaks down? Leaky gut syndrome (LGS) occurs when the lining of the small intestine is damaged allowing foreign compounds to escape into your bloodstream which weakens your immune system and triggers autoimmune reactions. Traditional physicians don't understand what LGS is much less how to diagnose and treat it. In fact it is estimated that more than 80 percent of people with chronic illnesses have leaky gut an overgrowth of bad bacteria or not enough good bacteria. Here are some symptoms that may be caused by LGS: Digestive complaints, acid reflux, IBS, Crohn's disease, Joint and muscle pain, arthritis, Obesity and food allergies, Headaches, depression, anxiety, ADHD, Itchy skin, rashes, eczema, acne, rosacea, psoriasis. In *Heal Your Leaky Gut* Dr. David Brownstein will explain how the gut like the brain, heart and liver needs to be properly nourished in order for it to function correctly. Simply stated if your gut is not healthy your immune system is going to suffer. Improving your gut health and taking fewer drugs will help you feel better and look younger, improve your brain function and treat myriad medical conditions. This book will give you all the information you need to change what you are now doing so you can have optimal gut health and as a result overall health and well being **Parapsychology, New Age, and the Occult**, 1993
