## **Naughty In Nice Her Royal Spyness:**

Naughty In Nice Rhys Bowen, 2011-09-06 In the fifth Royal Spyness Mystery Lady Georgiana Rannoch discovers that being a minor royal has its privileges when she visits the glamorous and dangerous French Riviera London 1933 Her Majesty the Queen is sending Georgie off to Nice with a secret assignment to recover her priceless stolen snuff box from the disreputable Sir Toby Groper Her Majesty's trust is an honor but an even greater honor is bestowed upon Georgie in Nice when none other than Coco Chanel asks her to model the latest fashions Unfortunately things go disastrously wrong on the catwalk and before Georgie can snatch the snuff box someone's life is snuffed out in a very dastardly way With a murderer on the loose and Georgie's beau Darcy seen in the company of another woman how's a girl to find any time to go to the casino

On Her Majesty's Frightfully Secret Service Rhys Bowen, 2017 When royal sleuth Georgie Rannoch receives a letter from her dearest friend Belinda who's in an Italian villa awaiting the birth of her illegitimate baby she yearns to run to her side If only she could find a way to get there But then opportunity presents itself in a most unexpected way her cousin the queen asks her to attend a house party in the Italian Lake Country The Prince of Wales AND the dreadful Mrs Simpson have been invited and Her Majesty is anxious to thwart a possible secret wedding What luck A chance to see Belinda even if it is under the guise of stopping unwanted nuptials Only that's as far as Georgie's fortune takes her She soon discovers that she attended finishing school with the hostess of the party and the hatred they had for each other then has barely dimmed Plus she needs to hide Belinda's delicate condition from the other guests And her dashing beau Darcy is naturally working undercover on a dangerous mission Then her actress mother shows up with a not so little task to perform With all this subterfuge it seems something is bound to go horribly wrong and Georgie will no doubt be left to pick up the pieces when it does

**Reading the Cozy Mystery** Phyllis M. Betz, 2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye

Heirs and Graces Rhys Bowen, 2014-08-05 While grooming Jack Altringham the Duke's newfound heir for high society Lady Georgiana Rannoch finds herself investigating murder when the Duke's body is found with Jack's hunting knife in its back

Peril in Paris Rhys Bowen, 2022-11-08 Lady Georgiana Rannoch and her dashing husband Darcy are awaiting a bundle of joy but an unexpected trip to Paris will thrust them straight into a tangled web of international intrigue in this all new mystery in the New York

Times bestselling Royal Spyness series from Rhys Bowen What a delight it is to finally be able to enjoy a simple meal again I have been in the throes of morning sickness for the last few months as Darcy and I prepare to welcome a brand new addition to our little family Now that I am feeling better I have realized I am dreadfully bored It seems that all my nearest and dearest are off leading their own busy lives while I sit at home and attempt to train our two adorably naughty puppies Fun as it may be it is hard not to long for a little adventure a change of pace before my true confinement begins when the baby comes Happily it seems that Darcy has read my mind When I receive a letter from my glamorous best friend Belinda Darcy suggests we take a trip to Paris to visit her It seems he also has a spot of business of which to take care so I will be staying in Belinda's flat as she works feverishly on Coco Chanel's fall collection I happen to know Coco from a disastrous encounter in Nice years ago and I am hoping this visit will go much more smoothly But I soon learn that nothing about my time in Paris is going to be simple or safe for that matter Darcy has asked me to take on a small chore as a part of his latest assignment I am to covertly retrieve something from an attendee of Coco's show It seems easy enough but I discover that this little errand could have terrifying consequences for a world on the brink of war When things go horribly wrong I am left to find a killer all while trying to fend off a French policeman who is certain that I am a criminal mastermind But I have no plans to deliver my darling little one in a prison cell and so I will muster every ounce of my courage to save the day and quite possibly the world

*Royal Flush* Rhys Bowen, 2015-12-17 In her third Royal Spyness whodunit Rhys Bowen returns with Lady Georgiana thirty-fourth in line to the throne everyone's favorite penniless heiress With its posh clientele gone to the country my fledgling housecleaning business has fizzled Now to make a living I must rely on my other talents as a dinner and theatre companion But on my first and only assignment the not so gentle man seems to have quite the wrong idea and Darcy my on again but usually off again beau must come to my rescue To avoid further scandal I'm shipped home like a naughty schoolgirl to Castle Rannoch where I am required to keep the entirely unsuitable Mrs Simpson from seducing the Prince of Wales Oh and I've also been coerced into helping Scotland Yard by keeping an eye on the members of the shooting party at Balmoral and preventing someone from shooting the Prince of Wales instead of quails And manage all this without strangling my odious sister in law Fig or my spineless brother Binky

**The Naughty Princess** Claire Contreras, 2020-05 From New York Times and USA Today bestselling author Claire Contreras comes a new story in her Sexy Royals series Princess Pilar is tired of playing by the rules She's sick of the spotlight and being seen as the uptight goody too shoes the media has cast her to be She's especially tired of the fact that her brothers are allowed to run off and do whatever they want while she sits inside watching the world pass her by That's why she decides that while her older brothers are off on their usual summer holidays she's going to quietly pack her things and travel to the one place her parents have always forbidden her to step foot on Ibiza As the star of the French premiere football league Benjamin Drake has it all the money the cars the clothing contracts and any woman he wants Problem is the only woman Ben has ever wanted badly enough to stop partying is Princess Pilar the one he

can never ever have Despite his fame and achievements in Pilar s world she ll always be royalty and he ll always be a kid from the wrong side of the tracks who got lucky He d never be accepted He knows that Yet when he spots Pilar partying at the same club as him all bets are off He s determined to get her in his bed even if it s just for one night Every 1001 Dark Nights novella is a standalone story For new readers it s an introduction to an author s world And for fans it s a bonus book in the author s series We hope you ll enjoy each one as much as we do
