**Julia Schneider**

## **National Board For Professional Teaching:**

*Navigating Certification* Bobbie Faulkner, 2021-02-15 This book explains summarizes and interprets the National Board for Professional Teaching Standards new Maintenance of Certificate MOC process The MOC process replaces the former renewal process for National Board Certified Teachers who want to maintain their certification beyond its original expiration date MOC explores the teacher s professional growth since the time of original certification or one s last renewal The book covers the scope of the process from beginning to end Candidates will learn about the two Components they ll complete developing their Professional Growth Experiences PGE connecting their video to a PGE writing in the National Board style and how to most efficiently use their instructions The book explains and interprets the prompts candidates respond to show they have remained an accomplished teacher

**Voices of Influence** National Board For Professional Teaching Standards, 2008-07 [A Research Guide on National Board Certification\[R\] of Teachers](#) National Board for Professional Teaching Standards, 2007 The National Board for Professional Teaching Standards R NBPTS has always welcomed scrutiny of the National Board Certification R process and the impact that National Board Certified Teachers R NBCTs have on teaching and learning As a result in the 20 years since NBPTS was founded National Board Certification has become one of the most heavily researched areas in the teaching field Scores of studies research projects and other reports have reviewed and evaluated various aspects of National Board Certification These efforts have covered such areas as the impact of National Board Certification on student performance the influence of the process on teacher retention and the quality of assignments planned by National Board Certified Teachers This report provides summaries of dozens of these studies Overall the studies show promising but in some cases mixed results regarding the impact of National Board Certification on student achievement as measured by standardized tests The research is consistently positive about the influence of National Board Certification on teacher practice and morale professional development and areas of school improvement such as leadership development teacher mentoring monitoring student performance team building and curriculum development that are critical to raising student achievement A bibliography is included

**Assessing Accomplished Teaching** Committee on Evaluation of Teacher Certification by the National Board for Professional Teaching Standards, Board on Testing and Assessment, Division of Behavioral and Social Sciences and Education, National Research Council, 2008-09-18 The mission of the National Board for Professional Teaching Standards NBPTS is to establish high and rigorous standards for what teachers should know and be able to do to certify teachers who meet those standards and to advance other education reforms for the purpose of improving student learning in American schools In response to a request from the U S Congress the National Research Council developed a framework for evaluating programs that award advanced level teacher certification and applied that framework in an evaluation of the impacts of the NBPTS Specifically this book addresses the impacts on students teachers and the educational system in this country Assessing Accomplished Teaching finds that teachers who earn board certification

are more effective at improving their students achievement than other teachers but school systems vary greatly in the extent to which they recognize and make use of board certified teachers Many of the questions on the evaluation framework could not be answered because the data have not been collected and the report makes recommendations for the kinds of research that are needed to fully evaluate the impacts of board certification by the NBPTS      Navigating the National Board Certification Process Martha H. Hopkins,2004-05-12 Filled with activities checklists and other practical tools this comprehensive resource leads teachers through each stage of the certification process      *WHAT WORKS!* Bobbie Faulkner,2011-10-16 *WHAT WORKS* provides a roadmap for National Board candidates by guiding them as they work through each of the four entries to be submitted The chapters contain dozens of tips on What Works and Why These Work The tips are practical specific and written in a conversational style that is easy to read      Assessing Accomplished Teaching National Research Council,Division of Behavioral and Social Sciences and Education,Center for Education,Board on Testing and Assessment,Committee on Evaluation of Teacher Certification by the National Board for Professional Teaching Standards,2008-09-04 The mission of the National Board for Professional Teaching Standards NBPTS is to establish high and rigorous standards for what teachers should know and be able to do to certify teachers who meet those standards and to advance other education reforms for the purpose of improving student learning in American schools In response to a request from the U S Congress the National Research Council developed a framework for evaluating programs that award advanced level teacher certification and applied that framework in an evaluation of the impacts of the NBPTS Specifically this book addresses the impacts on students teachers and the educational system in this country *Assessing Accomplished Teaching* finds that teachers who earn board certification are more effective at improving their students achievement than other teachers but school systems vary greatly in the extent to which they recognize and make use of board certified teachers Many of the questions on the evaluation framework could not be answered because the data have not been collected and the report makes recommendations for the kinds of research that are needed to fully evaluate the impacts of board certification by the NBPTS      **National Board for Professional Teaching Standards** National Board for Professional Teaching Standards, Arlington, VA.,2008 The National Board for Professional Teaching Standards NBPTS is an independent nonprofit nonpartisan and nongovernmental organization that develops professional standards for early childhood elementary and secondary school teaching National Board Certification signifies that a teacher or school counselor is accomplished having met challenging professional standards as evidenced by performance based assessments The assessment process for National Board Certification is designed to collect standards based evidence of accomplished practice In all certificate areas candidates for National Board Certification are required to complete two major components a portfolio of classroom practice and an assessment of content knowledge administered at a computer based testing center This guide is an introduction to the assessment process and eligibility requirements and provides useful information for applying for National Board Certification

The guide also contains information for those opting for Take One which is a unique offering from the NBPTS that improves teaching quality by providing educators with the opportunity to reflect on their own classroom instructional practices within the context of national teaching standards and later begin the path toward National Board candidacy if they so choose

Certifiable David Lustick, 2010-12-16 For anyone who was a candidate for National Board certification or might be a candidate in the future Certifiable Teaching Learning and National Board Certification is a must read book Dr Lustick NBCT 1998 2008 explores all aspects of the certification process in an accessible and meaningful style Lustick uses his own considerable experiences as a science teacher National Board candidate National Board assessor and educational researcher to provide evidence of NBPTS as an opportunity for professional growth What are teachers learning from National Board certification Dr Lustick interviewed more than 140 teachers from 42 states to find an answer In a report to congress the National Research Council described Dr Lustick's work as one of only two studies that objectively evaluated the impact of certification on teachers practices Whether a candidate was ultimately identified as accomplished or not David Lustick's research indicates that certification offers all candidates a chance to improve their practice This book provides educational stakeholders an important resource for understanding NBPTS as a means to improve teacher quality in an environment of high stakes testing

**Achieving National Board Certification for School Library Media Specialists** Gail Dickinson, 2005-09-26 Provides a history and overview of the certification process reviews the areas highlighted in the National Board for Professional Teaching Standards NBPTS portfolio entries and assessment center exercises examines their components and gives tips on how to complete each part

55,000 Reasons to Believe National Board for Professional Teaching Standards, Arlington, VA., 2007 Since its inception in 1987 the National Board for Professional Teaching Standards NBPTS has met its goals of creating standards for what teachers should know and be able to do and established a national voluntary certification system for accomplished teachers To help commemorate its 20th anniversary the NBPTS has published this report to take stock of its accomplishments and lay out its vision for moving forward Spotlighting the current number of National Board Certified Teachers this report describes the growing impact they are having in classrooms in every state and the powerful role NBPTS Standards and certification have in education reform efforts This publication was prepared by CommunicationWorks L L C for submission under a contract with NBPTS

Understanding National Board Certification Mark William Ellis, Tara Barnhart, Leslee M. Milch, 2013 This valuable guide gives educators pursuing National Board certification and those supporting candidates in their efforts a thorough accessible examination of all aspects of certification for First Time candidates Take One Candidates Retake or Advanced candidates and National Board Certified Teachers NBCTs working on Renewal With Understanding Board Certification as their guide educators will deepen their understanding of the National Board standards become fully prepared to be successful National Board candidates and enhance their growth as educational professionals Included are extensive references to relevant research and a helpful

Appendix Providing Candidate Support      Assessing Teachers for Professional Certification Lawrence Ingvarson, John Hattie, 2008-02-04 The National Board for Professional Teaching Standards NBPTS in the USA is the most ambitious and successful attempt by any country to establish a certification system for recognizing and rewarding teachers who reach high professional standards This book focuses on The National Board for Professional Teaching Standards NBPTS      *Toward High and Rigorous Standards for the Teaching Profession* National Board for Professional Teaching Standards (U.S.), 1991

**Assessing Accomplished Teaching** National Research Council, Division of Behavioral and Social Sciences and Education, Center for Education, Board on Testing and Assessment, Committee on Evaluation of Teacher Certification by the National Board for Professional Teaching Standards, 2008-09-04 The mission of the National Board for Professional Teaching Standards NBPTS is to establish high and rigorous standards for what teachers should know and be able to do to certify teachers who meet those standards and to advance other education reforms for the purpose of improving student learning in American schools In response to a request from the U S Congress the National Research Council developed a framework for evaluating programs that award advanced level teacher certification and applied that framework in an evaluation of the impacts of the NBPTS Specifically this book addresses the impacts on students teachers and the educational system in this country **Assessing Accomplished Teaching** finds that teachers who earn board certification are more effective at improving their students achievement than other teachers but school systems vary greatly in the extent to which they recognize and make use of board certified teachers Many of the questions on the evaluation framework could not be answered because the data have not been collected and the report makes recommendations for the kinds of research that are needed to fully evaluate the impacts of board certification by the NBPTS      **Why America Needs National Board Certified Teachers.**

**National Board for Professional Teaching Standards** National Board for Professional Teaching Standards, Arlington, VA., 2004 Many excellent teachers already work in the schools Unfortunately their work regularly goes unrecognized and unrewarded As a consequence many first rate practitioners leave the schools and others who could be exceptional teachers never consider teaching Worse still the knowledge and skills of the fine teachers who remain often are underutilized their positive influence allowed only the most modest scope In recognition of these challenges the nation has begun to take several steps forward The leadership of the nation s education community has coalesced to create a National Board for Professional Teaching Standards The National Board s mission is to advance the quality of teaching and learning by 1 maintaining high and rigorous standards for what accomplished teachers should know and be able to do 2 providing a national voluntary system certifying teachers who meet these standards and 3 advocating related education reforms to integrate National Board Certification in American education and to capitalize on the expertise of National Board Certified Teachers This document discusses why National Board Certified teachers is important for education in America      **Choosing Excellence** National Board For Professional Teaching Standards, 2009-01      *Pathways to National Board Certification* Lynda Louise

Sullivan,2005      *The National Board Certification Handbook* Diane M. Barone,2002 Have you ever wondered what it takes to be a National Board Certified Teacher Are you already seeking certification Here is a practical handbook that will answer many of your questions Beginning with the decision to seek National Board Certification continuing through the portfolio and assessment processes and ending with what to do if you don t successfully complete all of the requirements for certification this book will support and guide you Each chapter is written by a teacher or teacher educator who has been through the preparation process Inside you will find what National Board Certification is what is expected of teachers seeking certification how much time it takes what the requirements are what it means to be a National Board Certified Teacher More than a general description of the background and framework of seeking National Board Certification The National Board Certification Handbook guides you through every aspect of preparing for life during the board certification process Contributors share examples of the student work they selected for their own portfolios helping readers make similar decisions Vocabulary lists web sites evaluation forms for video and written commentaries are also included Interwoven throughout the book are the teachers emotions that accompanied the process They talk openly about their feelings so that other teachers have a sense of the emotional roller coaster that often accompanies working through this demanding certification process From a survey to help you determine if now is the right time to seek certification to a reminder to take vitamins exercise eat and sleep this comprehensive tool can make your board certification process a little easier Achieving National Board Certification is a major accomplishment It recognizes exemplary teaching that is centered on students curriculum and the community National Board Certified Teachers are able to demonstrate that they can teach to high standards As a result their students have higher achievement If you aspire to become National Board certified or if you help teachers who are preparing for certification this handy guide is the just right book for you      **A Guide to Research on National Board Certification of Teachers** National Board for Professional Teaching Standards,2008-05-02
