The Spycraft Merchant -Volume Five Arthur C. Morgan,2024-01-09 This is the final volume of the saga and an end to a 28 year career The author becomes the target from a small group of zealous fanatical prosecutorial federal agents and prosecutor which was due to a lack of judgment by the author when he misrepresented the origin of where his body armor and helmets were manufactured on a federal form but the real motivation was the ideological mindset that they couldn't tolerate an offender functioning as a security professional A false narrative and character assassination was generated which

motivated the author to write his autobiography in an effort to ensure that his story was told **Canadian Business** ,2007
