## **Men Explain Things To Me And Other Essays:**

Men Explain Things to Me Rebecca Solnit, 2014-04-14 The National Book Critics Circle Award winning author delivers a collection of essays that serve as the perfect antidote to mansplaining. In her comic scathing essay *Men Explain Things to Me*, Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't about why this arises and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note because the ultimate problem is the silencing of women who have something to say, including those saying things like "He's trying to kill me." This book features that now classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf's embrace of mystery, of not knowing, of doubt and ambiguity; a highly original inquiry into marriage equality; and a terrifying survey of the scope of contemporary violence against women. In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized. The New York Times Essential Feminist reading. The New Republic: "This slim book hums with power and wit." Boston Globe: Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society. San Francisco Chronicle Essential Marketplace Feminist: frequently funny, unflinchingly honest, and often scathing in its conclusions. Salon: *Men Explain Things to Me* Rebecca Solnit, 2014-11-06 Rebecca Solnit's essay *Men Explain Things to Me* has become a touchstone of the feminist movement, inspired the term mansplaining, and established Solnit as one of the leading feminist thinkers of our time. One who has inspired everyone from radical activists to Beyoncé Knowles. Collected here in print for the first time is the essay itself along with the best of Solnit's feminist writings. From rape culture to mansplaining, from French sex scandals to marriage and the nuclear family, from Virginia Woolf to colonialism, these essays are a fierce and incisive exploration of the issues that a patriarchal culture will not necessarily acknowledge as issues at all. With grace and energy and in the most exquisite and inviting of prose, Rebecca Solnit proves herself a vital leading figure of the feminist movement and a radical humane thinker.

**Men Explain Things to Me** Rebecca Solnit, 2015 A landmark essay that went viral inspired the word mansplaining and prompted fierce arguments.

**Recollections of My Nonexistence** Rebecca Solnit, 2020 An electric portrait of the artist as a young woman that asks how a writer finds her voice in a society that prefers women to be silent. In *Recollections of My Nonexistence*, Rebecca Solnit describes her formation as a writer and as a feminist in 1980s San Francisco in an atmosphere of gender violence on the street and throughout society and the exclusion of women from cultural arenas. She tells of being poor, hopeful, and adrift in the city that became her great teacher; of the small apartment that when she was nineteen became the home in which she transformed herself; of how punk rock gave form and voice to her own fury and explosive energy. Solnit recounts how she came to recognize the epidemic of violence against women around

her the street harassment that unsettled her the trauma that changed her and the authority figures who routinely disdained and disbelieved girls and women including her Looking back she sees all these as consequences of the voicelessness that was and still is the ordinary condition of women and how she contended with that while becoming a writer and a public voice for women's rights She explores the forces that liberated her as a person and as a writer books themselves the gay men around her who offered other visions of what gender family and joy could be and her eventual arrival in the spacious landscapes and overlooked conflicts of the American West These influences taught her how to write in the way she has ever since and gave her a voice that has resonated with and empowered many others

**Entitled** Kate

Manne, 2020-08-11 An urgent exploration of men's entitlement and how it serves to police and punish women from the acclaimed author of *Down Girl* Kate Manne is a thrilling and provocative feminist thinker Her work is indispensable Rebecca Traister NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ATLANTIC In this bold and stylish critique Cornell philosopher Kate Manne offers a radical new framework for understanding misogyny Ranging widely across the culture from Harvey Weinstein and the Brett Kavanaugh hearings to *Cat Person* and the political misfortunes of Elizabeth Warren Manne's book shows how privileged men's sense of entitlement to sex yes but more insidiously to admiration care bodily autonomy knowledge and power is a pervasive social problem with often devastating consequences In clear lucid prose Manne argues that male entitlement can explain a wide array of phenomena from mansplaining and the undertreatment of women's pain to mass shootings by incels and the seemingly intractable notion that women are unelectable Moreover Manne implicates each of us in toxic masculinity It's not just a product of a few bad actors it's something we all perpetuate conditioned as we are by the social and cultural mores of our time The only way to combat it she says is to expose the flaws in our default modes of thought while enabling women to take up space say their piece and muster resistance to the entitled attitudes of the men around them With wit and intellectual fierceness Manne sheds new light on gender and power and offers a vision of a world in which women are just as entitled as men to our collective care and concern

**The Mother of All Questions** Rebecca

Solnit, 2017-02-12 A collection of feminist essays steeped in Solnit's unapologetically observant and truth speaking voice on toxic violent masculinity The Los Angeles Review In a timely and incisive follow up to her national bestseller Men Explain Things to Me Rebecca Solnit offers sharp commentary on women who refuse to be silenced misogynistic violence the fragile masculinity of the literary canon the gender binary the recent history of rape jokes and much more In characteristic style Solnit draws anecdotes of female indignity or male aggression from history social media literature popular culture and the news The main essay in the book is about the various ways that women are silenced and Solnit focuses upon the power of storytelling the way that who gets to speak and about what shapes how a society understands itself and what it expects from its members The Mother of All Questions poses the thesis that telling women's stories to the world will change the way that the world treats women and it sets out to tell as many of those stories as possible The New Yorker There's a new feminist revolution open to people of all genders brewing right now and Rebecca Solnit is one of its most powerful not to mention beguiling voices Barbara Ehrenreich New York Times bestselling author of Natural Causes Short incisive essays that pack a powerful punch Publishers Weekly A keen and timely commentary on gender and feminism Solnit's voice is calm clear and unapologetic each essay balances a warm wit with confident thoughtful analysis resulting in a collection that is as enjoyable and accessible as it is incisive Booklist

**Hysterical** Elissa Bassist, 2022-09-13 SEMI FINALIST FOR THE 2023 THURBER PRIZE FOR AMERICAN HUMOR A fiery cultural critique Kirkus Reviews a powerful beautifully written and utterly important book New York Journal of Books Hysterical is staggeringly good This is one of the most intelligent painful ridiculous awesome relevant things I've ever read Roxane Gay an impressive debut Elissa Bassist wrote it like a motherfucker Cheryl Strayed Acclaimed humor writer Elissa Bassist shares her journey to reclaim her authentic voice in a culture that doesn't listen to women in this medical mystery cultural criticism and rallying cry Between 2016 and 2018 Elissa Bassist saw over twenty medical professionals for a variety of mysterious ailments She had what millions of American women had pain that didn't make sense to doctors a body that didn't make sense to science and a psyche that didn't make sense to mankind Then an acupuncturist suggested that some of her physical pain could be caged fury finding expression and that treating her voice would treat the problem It did Growing up Bassist's family boyfriends school work and television shows had the same expectation for a woman's voice less is more She was called dramatic and insane for speaking her mind She was accused of overreacting and playing victim for having unexplained physical pain She was ignored or rebuked like so many women throughout history for using her voice inappropriately by expressing sadness or suffering or anger or joy Because of this she said yes when she meant no she didn't tweet MeToo and she never spoke without fear of being too emotional She felt rage but like a good woman she repressed it In her witty and incisive debut Bassist explains how girls and women internalize and perpetuate directives about their voices making it hard to just speak up and burn down the patriarchy But then their silence hurts them more than anything they could ever say Hysterical is a memoir of a voice lost and found a primer on new ways to

think about a woman's voice about where it's being squashed and where it needs amplification and a clarion call for readers to unmute their voice listen to it above all others and use it again without regret      **Subject and Strategy** Paul

Everest Media, 2022-03-01T21:00:00Z Please note This is a companion version not the original book Sample Book Insights 1

The Slippery Slope of Silencings is the phenomenon where people of both genders pop up at events to hold forth on irrelevant things and conspiracy theories but the out and out confrontational confidence of the totally ignorant is in my experience gendered 2 The presumption that women are unnecessary is a war that every woman faces every day It is a belief in their superfluity and it invites silence There is a happy medium between these poles and we should all meet there 3 The struggle of feminism to make rape date rape marital rape domestic violence and workplace sexual harassment crimes legal has been to make women credible and audible 4 In speaking engagements I often encounter men who explain things to me And they almost always do it in a manner that makes me feel like I lack intelligence      *Whose Story Is This?* Rebecca Solnit, 2019-09-03 Feminist essays for the MeToo era from the voice of the resistance the international bestselling author of *Men Explain Things to Me* The New York Times Magazine Who gets to shape the narrative of our times The current moment is a battle royale over that foundational power one in which women people of color non straight people are telling other versions and white people and men and particularly white men are trying to hang onto the old versions and their own centrality In *Whose Story Is This* Rebecca Solnit appraises what's emerging and why it matters and what the obstacles are Praise for Rebecca Solnit and her essays Rebecca Solnit is essential feminist reading The New Republic In these times of political turbulence and an increasingly rabid and scrofulous commentariat the sanity wisdom and clarity of Rebecca Solnit's writing is a forceful corrective *Whose Story Is This* is a scorchingly intelligent collection about the struggle to control narratives in the internet age The Guardian Solnit's passionate shrewd and hopeful critiques are a road map for positive change Kirkus Reviews Solnit's exquisite essays move between the political and the personal the intellectual and the earthy Elle Rebecca Solnit reasserts herself here as one of the most astute cultural critics in progressive discourse Publishers Weekly No writer has better understood the mix of fear and possibility peril and exuberance that's marked this new millennium Bill McKibben founder of 350.org      Hope in the Dark Rebecca Solnit, 2016-05-14 A landmark book Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes Vice A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me* her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them and the unimaginable changes soon to come In it she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable Drawing on her decades of activism and a wide reading of environmental

cultural and political history Solnit argues that radicals have a long neglected history of transformative victories that the positive consequences of our acts are not always immediately seen directly knowable or even measurable and that pessimism and despair rest on an unwarranted confidence about what is going to happen next Now with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book One of the best books of the 21st century The Guardian No writer has better understood the mix of fear and possibility peril and exuberance that s marked this new millennium Bill McKibben New York Times bestselling author of *Falter* An elegant reminder that activist victories are easily forgotten and that they often come in extremely unexpected roundabout ways The New Yorker

*A Field Guide to Getting Lost* Rebecca Solnit, 2006-06-27 An intriguing amalgam of personal memoir philosophical speculation natural lore cultural history and art criticism Los Angeles Times From the award winning author of *Orwell's Roses* a stimulating exploration of wandering being lost and the uses of the unknown Written as a series of autobiographical essays *A Field Guide to Getting Lost* draws on emblematic moments and relationships in Rebecca Solnit's life to explore issues of uncertainty trust loss memory desire and place Solnit is interested in the stories we use to navigate our way through the world and the places we traverse from wilderness to cities in finding ourselves or losing ourselves While deeply personal her own stories link up to larger stories from captivity narratives of early Americans to the use of the color blue in Renaissance painting not to mention encounters with tortoises monks punk rockers mountains deserts and the movie *Vertigo* The result is a distinctive stimulating voyage of discovery *Architecture of Life* Lawrence Rinder, 2016 This exhibition catalog accompanies the inaugural exhibition at the new UC Berkeley Art Museum and Pacific Film Archive building designed by Diller Scofidio Renfro Over 150 works of art in a wide range of media as well as scientific illustrations and architectural drawings and models explore the ways that architecture as concept metaphor and practice illuminates various aspects of life experience *The Writings of Mark Twain: see Old Catalog - . 23. The man that corrupted Hadleyburg and other essays and stories* Mark Twain, 1899 **Call Them by Their True Names** Rebecca Solnit, 2018-09-04 A call to arms that takes on a range of social and political problems in America from racism and misogyny to climate change and Donald Trump Poets Writers National Book Award Longlist Winner of the Kirkus Prize for Nonfiction Winner of the Foreword INDIE Editor's Choice Prize for Nonfiction Rebecca Solnit is the author of more than twenty books including the international bestseller *Men Explain Things to Me* Called the voice of the resistance by the New York Times she has emerged as an essential guide to our times through incisive commentary on feminism violence ecology hope and everything in between In this powerful and wide ranging collection of essays Solnit turns her attention to the war at home This is a war she says with so many casualties that we should call it by its true name this war with so many dead by police by violent ex husbands and partners and lovers by people pursuing power and profit at the point of a gun or just shooting first and figuring out who they

hit later To get to the root of these American crises she contends that to acknowledge this state of war is to admit the need for peace countering the despair of our age with a dose of solidarity creativity and hope Solnit's exquisite essays move between the political and the personal the intellectual and the earthy Elle Solnit is careful with her words she always is but never so much that she mutes the infuriated spirit that drives these essays Kirkus Reviews starred review Solnit is a powerful cultural critic as always she opts for measured assessment and pragmatism over hype and hysteria Publishers Weekly Essential reading for anyone living in America today The Brooklyn Rail
