

MARK SCHEME for the May/June 2013 series

9754/01

9754 MATHEMATICS

Paper 1 (Pure Mathematics 1), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners' work is judged to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative solutions.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will enter into discussions about these marks schemes.

Cambridge is publishing the mark schemes for the May/June 2013 series for most IGCSE, Pre-A Level, A Level, Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.
