noticed he had flipped open the first aid kit and was idly rummaging through it I felt that warm quivering in my belly again and a little lower Was this really happening Well I wouldn't be totally against it Not even if we were a little rough Richard held up a roll of medical tape his lips curling into a wicked grin I stared at it uncomprehending for a moment Strong calloused hands suddenly seized me from behind and before I had a chance to react I was hoisted effortlessly onto the table Instinct took hold of me and I began to struggle but the hands grabbed my wrists pulling them together behind my back and holding me firmly I heard an amused chuckle rising from behind me followed by a the distinctive rrrrip of tape I froze at the sound What what are you going to do to me I managed Don't worry Michael's soft baritone rumbled in my ear I could feel the warmth of his proximity and it sent a tingle through my spine It won't hurt At least as long as you don't struggle too much Richard added leaning in close to my ear His voice was thick with lust His brother's calloused hands held my arms in a vice like grip as Richard began to wrap my wrists with the tape My brain screamed with the need to fight back but my body hesitated The situation had triggered something primal in me I could feel my arousal building with their rough manipulations of my body Even the sound of the tape sent a thrill through me I felt a growing warmth spreading throughout my body and I realized I was already wet Suddenly I wasn't sure I wanted to escape not that I could have Even one of the brothers would have been too strong for me with two of them I didn't even stand a chance Still I didn't want to give in right away Part of me felt the need to resist No I shouted Not not like this You don't have to I let out a gasp as the arms pulled at me roughly pivoting me on the table to give Richard better access to my arms The sudden force yanked my blouse loose from my skirt and I could feel the cool air strike my exposed midriff I considered calling for help A split second later I stopped myself who would hear me And more importantly did I want anyone to hear Did I want someone to come interrupt this encounter with two beautiful powerful men men every last woman in the office would kill for and who were prepared to take me
