The only problem is Kelly didn't get enough scholarship money to pay for Yale. When her best friend overhears her boss, sexy, steamy Jack Sutton, trying to solve a problem of his own, Kelly decides she's tired of following the rules and behaving herself. It's time to grab life by the horns and get what she wants. When Kelly waltzes into Jack's office and proposes they marry for a year, giving them a solution to both of their problems, Jack can't resist her bold beauty or the quick fix she's able to provide. Within days, Jack's business life is back under control, but his personal life is turned upside down. And just when Jack realizes he doesn't want to live without Kelly, his fame and fortune puts Kelly in danger, and Jack has to fight against all odds to get her back.

Detective Jarrod Harmon has a lot of dead bodies and very few leads that make any kind of sense. Finding out who is using the city's homeless population to test a deadly drug becomes even more complicated when the evidence fails to add up and his feelings for the assistant director of the local homeless shelter begin to get in the way. Carrie Hastings knows she has her work cut out for her if she's going to keep her shelter's new clinic open. With the police looking at one of her physicians as the prime suspect in the deaths of several homeless people, she'll need to keep her wits about her if she's going to save the clinic. Sadly, her wits seem to fly out the window when a certain detective comes asking tough questions. In a case where there are more questions than answers, Jarrod and Carrie will have to race against the clock to find out who's behind such a ruthless crime. When an Army veteran dealing with her own ghosts partners with him to save his company, she seems determined to get him to start over. The only problem is he isn't sure he can. Sara Blackburn is determined as hell, though, and she's not going to take no for an answer. Soon, a madman takes the choice out of Warrick's hands, and he finds himself fighting for his life. And Sara's. As he and Sara race to uncover the truth, he'll find himself falling for her in ways that leave him questioning whether there's enough left of his heart to love again.
