**Hunting Ground** Patricia Briggs, 2009-08-25 1 New York

Times bestselling author Patricia Briggs invites readers to follow her into the seductive realm of the Alpha and Omega series. Anne Latham didn't know how complicated life could be until she became a werewolf and was mated to Charles Cornick, the son and enforcer of the leader of the North American werewolves. She didn't know how dangerous it could be either. Anna and Charles have just been enlisted to attend a summit to present Bran's controversial proposition that the wolves should finally reveal themselves to humans. But the most feared Alpha in Europe is dead set against the plan, and it seems like someone else might be too. When Anna is attacked by vampires using pack magic, the kind of power only werewolves should be able to draw on, Charles and Anna must combine their talents to hunt down whoever is behind it all or risk losing everything. Fang-tastic Fiction Patricia O'Brien Mathews, 2011. Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings.

**Reading Laurell K. Hamilton** Candace R. Benefiel, 2011-07-06. This exploration of author Laurell K. Hamilton's work examines the many novels of her series and shows how her writing has been a major influence on contemporary visions of the vampire, an ideal reference text for book club leaders. Long before *Twilight* achieved epic levels of popularity, Laurell K. Hamilton was reshaping the image of the vampire with her own take on the vampire mythos in her Anita Blake Vampire Hunter fantasy novel series. While Hamilton's work draws on traditional vampire and fairy lore, her interpretation of these subjects brought new dimensions to the genres, influencing the direction of urban fantasy over the past two decades. Reading Laurell K. Hamilton focuses upon Hamilton's two bestselling series, the Anita Blake Vampire Hunter series and the Merry Gentry series. The volume is intended as a resource for leaders of book clubs or discussion groups, containing chapters that examine Hamilton's role in the current vampire literature craze, the themes and characters in her work, and responses to Hamilton on the Internet. The book also provides a brief overview of Hamilton's life. *Patricia Briggs' Mercy Thompson: Homecoming #1*
