**Multimodality and Performance** Carla Fernandes, 2016-08-17 The chapters in this book are the product of an international conference organised in Lisbon to mark the closure of the TKB project A Transmedia Knowledge Base for Performing Arts Under the title Multimodal Communication Language Performance and Digital Media this conference provided a forum for researchers and artists from different research fields interested in the study and documentation of the performing arts The book offers contributions on issues of multimodality in human interaction and performance embodied cognition and metaphor gesture studies video annotation for creative processes and performance and digital media

*Metaphorical Conceptualizations* Ulrike Schröder, Milene Mendes de Oliveira, Adriana Maria Tenuta, 2022-03-07 The book deals with the important shift that has been heralded in cognitive linguistics from mere universal matters to cultural and situational variation The discussions examine cognitive and cultural linguistics theories in relation to the following areas of research i metaphorical conceptualization ii the influence of culture on metaphor metonymy and conceptual blends iii the impact of culture and cognition on metaphorical lexis iv the interface of pragmatics and cognition when metaphor is studied in situ that is in face to face as well as in virtual multimodal interaction v the application of insights from metaphorical conceptualizations to language teaching and vi recent methods for revealing inter cultural metaphorical conceptualizations corpus based approaches gesture studies etc The book brings together cognitive functional and inter cultural approaches

*British and German Rap Music. A Cross-Cultural Analysis of its Metaphorical Conceptions* Maximilian Reilly, 2021-01-28 Seminar paper from the year 2020 in the subject English Language and Literature Studies Linguistics grade 1.3 University of Leipzig Institut für Anglistik language English abstract Since Hip Hop became a global phenomenon that frequently produces new celebrities the question arises whether national varieties of terms of metaphorical conceptions exist and how they are manifested in contemporary artists lyrics In this paper after an insight into the subculture's history is gained it is necessary to clarify what conceptual metaphors are before an analysis and comparison of selected metaphorical conceptions in Rap lyrics by German and British Hip Hop artists can be accomplished Finally this term paper will try to explain possible cross cultural as well as intra cultural differences Over the past decades Hip Hop and Rap music manifested itself in mainstream music culture up to the point to become the top selling music genre in the US by 2017 surpassing Rock and Country music Nielsen What started with the use of turntables to reduce songs to their percussive elements and combine existing records merging them to innovative beats established the most attractive genre of the present day music industry This phenomenon can be understood as the result of an ever changing genre that develops distinct subgenres frequently which offer a fertile ground for new sounds and lyrical themes Whether it is the Gangsta Rap with lyrics focussing on drug abuse and violence often providing a stereotypical image of gang members or Political Hip Hop that reflects on crucial issues of contemporary society like police brutality and discrimination Although hip hop music is often considered to be aggressive by nature

promoting rebellious behaviour and spoiling youths an analysis of artists belonging to various genres reveals that critical claims tend to be generalized Given the circumstances Hip Hop developed in and partially still develops the themes of violence and drug abuse in the songs are fundamental to be authentic representations of the rappers lives Hip Hop or Rap music like other forms of poetic expression provides the possibility to employ several stylistic devices encoding deeper meanings in often hard sounding verses One of the most prominent devices found in songs is the metaphor used to visualize the similarity between two or more objects in order to create a blend that partakes the characteristics of both Britannica
