Luc a dangerously seductive incubus has been trapped by a curse for the last fifty years and Anna is willing to do almost anything to get rid of her problem house guest All she has to do is resist him long enough to break the spell so they can go their separate ways If she doesn't she could die And that would be the best case scenario BOOK 3 HUNTED It started with one lost pup it may end in a war Panthers don't do responsibility They don't do long term relationships They definitely don't raise kids But when Z discovers a young wolf in the forest he takes him in unaware of the powerful beings hunting the pup Fiona is a witch who can't leave her house the birds have told her something bad will happen and the birds are always right The mailbox is as far as she'll go but even that may provide more danger than she's bargained for When a wolf pup stumbles into her garden her safe wrapped up world heads for a free fall But along with danger the pup brings a chance at love a chance an agoraphobic witch and a bachelor panther aren't likely to find on their own BOOK 4 BAD MAGIC Immortality can be a bitch Tamara has lived nearly two thousand years trapped by a spell of her own creation Hunted by her enemy and former lover she knows there is only one man strong enough to release her from the curse But will Cain honor her death wish or keep her for himself whatever the cost Two ancient souls Two weary fighters torn between love and hate forced to decide if the other could be worth living for BOOK 5 FORBIDDEN To see him again is forbidden Angeline knows Father Hadrian will never forgive her for their ugly history Taking him from his calling and turning him into a monster no one should forgive that When the king of the vampires seeks vengeance for Hadrian's recent betrayal she'll risk everything to protect the vampire she still loves But when Angeline agrees to give Hadrian her blood all Heaven will break loose BOOK 6 CAGED MOON Can two souls trapped in separate cages ever find each other Twenty six years have passed since the link between heaven and earth was severed and all hell broke loose The fighting raged until the human magic users took over the cities driving most of the preternaturals into hiding This is the world Sydney Burgess has grown up in locked inside her father's compound As the daughter of a human mother and a vampire king she has all the weaknesses of a vampire but none of their strengths Anthony keeps her on a tight leash ever vigilant against the constant imagined threats to her safety But all she wants is to break free and start a real life Noah Riley has lived in captivity for the past twenty years so long he barely knows how to be a werewolf anymore Even with a photographic memory most of his past before the facility feels fuzzy at best His strongest memories are of the little girl he protected during his childhood Sydney When he reaches his full power on his twenty eighth birth moon he'll have a chance to break free to find her and finally reunite with his family But vampires and werewolves are mortal enemies Even if Sydney is Noah's true mate the vampire king would kill him before he ever let a filthy werewolf near her especially one of questionable sanity
