A Creative Primary Curriculum for All Emma L. Palastanga, 2021-11-29 The curriculum in many primary schools in recent history became worryingly narrowed such that children were being prepared for tests more than their lives were being enriched with a variety of knowledge skills and experiences It is clear that it is the latter that enables them to perform well in tests and in life so the time for change is now This book seeks to empower teachers and school leaders to better understand what is meant by curriculum and what a creative educational diet might look like in each individual school The book explores curriculum intent implementation and impact It includes leaders reflection boxes and practical suggestions for busy teachers Emma L Palastanga analyses the need for a broad and balanced curriculum against the limitations of cramming for success and delves deep into the process of curriculum planning delivery and evaluation using Ofsted s terminology Examples of lessons and a range of different approaches are shared throughout the book A Creative Primary Curriculum for All will give all subject leaders classroom teachers and teacher trainees the confidence to provide a rich exciting and varied curriculum meeting the needs of learners whilst also letting the craft of teaching and individual inspiration shine

The Social World of Pupil Career Andrew Pollard, 1999-06-17 This text is the second part of a seven year ethnography of individual pupils from the ages of four to eleven in an English primary school It presents a sociological analysis of children coping with the social worlds of home playground and classroom over the seven years of a primary school career The study provides holistic insights into the biographies of four children during their primary school years and the case studies give prominence to the voices and perspectives of parents children and teachers interacting over time The reader is invited to engage personally with these accounts and is guided as the book progresses to an overall analysis of the significance of social relationships and learning processes on the childrens s career trajectories
