*Hymns and Constructions of Race* Mobility Agency De Coloniality examines how the hymn historically and today has reinforced negotiated and resisted constructions of race It brings together diverse perspectives from musicology ethnomusicology theology anthropology performance studies history and postcolonial scholarship to show how the hymn has perpetuated generated and challenged racial identities The global range of contributors cover a variety of historical and geographical contexts with case studies from China and Brazil to Suriname and South Africa They explore the hymn as a product of imperialism and settler colonialism and as a vehicle for sonic oppression and or resistance within and beyond congregational settings The volume contends that the lived tradition of hymn singing with its connections to centuries of global Christian mission is a particularly apt lens for examining both local and global negotiations of race power and identity It will be relevant for scholars interested in religion music race and postcolonialism **Readings on Religion and Culture**

**in Africa** Ejizu, Chris I., 2016-09-13 This is a book of reading on religion and culture in Africa comprising ten papers by experts in religion and cultural matters and an introductory note by the editor himself Covered in the volume are papers covering the impact of secularisation and urbanisation on a most cherished socio cultural practice of the extended family system of the Isoko people in Nigeria the traditional medical practices in Urhobo with particular focus on the use of local herbs to treat ailments the socioreligious as well as the political significance of Obiri family hall in Ikwerreland the rationale behind the use of the concept Dunamis in the Gospel According to Staint Mark Although his paper does not focus on African traditional religion its inclusion here is based purely on the theological significance of the concept of Dunamis the extent to

which evil spirits and mysterious forces have influenced the religion and culture of the Urhobo people of Nigeria the significance of festivals in the traditional African society John Wesley s innovations in Christendom and their implications for Africa the recent unprecedented upsurge in the assumed use of religious powers to cast out evil spirits as well as for prayer healing among Muslims in Nigeria the culture of alienation anxiety and violence drawing inspiration from the Fall Story of Genesis 3 and the widowhood practices of some areas in Nigeria     Methodists and their Missionary Societies 1900-1996

Revd John Pritchard,2014-02-28 The twentieth century saw the spectacular growth of Christianity in much of the global south the transformation of mission fields into self governing Churches schemes of church union some successful others abortive evolving attitudes to other faiths and significant Christian engagement with issues of racial justice and world poverty This book examines the contribution of the Methodist Missionary Society and its predecessors before 1932 to these world changing movements from the remarkable mass conversions in south west China and west Africa early in the century to the controversy over grants to liberation movements in the 1970s and 1980s Pritchard traces the MMS contribution to education health care rural development and social welfare and describes the administration of the Societies and the selection and preparation of candidates for missionary service This is a ground breaking study of Methodist Overseas Mission in the twentieth century how it adjusted to changing circumstances including the forced withdrawals from China and Burma and developed new initiatives and partnerships including its World Church in Britain programme which brought missionaries from the younger Churches to serve in Britain and Ireland     **The Hymn** ,2010     *The Oxford History of Christian Worship*

Geoffrey Wainwright,2006 The Oxford History of Christian Worship is a comprehensive and authoritative history lavishly illustrated of the origins and development of Christian worship up to the present day Following contemporary methods in scholarship it attends to social and cultural contexts and examines the worship traditions from both Eastern and Western Christianity ancient and modern It offers a chronological account while encompassing spatial and confessional variations from Baptists in Britain to Roman Catholics in Mexico from Orthodox in Ethiopia to Pentecostals in the United States from Lutheran and Reformed in Europe to united churches in India and Australia The material details of Christian worship such as music architecture and the visual arts are considered within specific cultural contexts throughout the volume as well as studied thematically in individual chapters BOOK JACKET     The Stanza ,1980     Methodist Church Nigeria Celebrates Silver Jubilee of Her Autonomy (1962-1987) ,1987     **The National Bibliography of Nigeria** ,1950     T&T Clark

Companion to Methodism Charles Yrigoyen Jr,2014-09-25 The first volume in the T T Clark Companions series this volume is a handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist

denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church This book researches questions problems and resources for further study
