Cornwall in particular thought Kate was too common and encouraged Prince Charles to urge his son to reconsider his relationship with Kate This was despite the fact that Kate was set to become the first royal bride to hold a degree **Kate** William J. Mann,2006-10-03 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy s sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what we think we know about the Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn s death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty **Kate Middleton, Duchess of Cambridge** Susan Barnett

Kate Remembered Andrew Scott Berg, 2004. For more than twenty years Katharine Hepburn imparted many of the details of her life to me suggesting that I weave them into a book one that would appear upon her death. Sad to say the time has come to publish that book. But I find comfort in knowing she lived a very rich 96 years and I have tried my best to honour her wish of making the book as true to her spirit as possible as inspiring as loving and as fun. Scott Berg KATE REMEMBERED is a loving tribute and a tender farewell that reveals an unusual relationship in a unique life one fully lived and largely according to Katharine Hepburn's own rules. More importantly it sets down many of the stories of that life as she saw them full of sentiments she felt should not be made public until after her death. Ultimately this book is not only a story of the poignant final twenty years in which Scott Berg knew Katharine Hepburn but also a tale of a great theatrical personality and the better part of the century that was the stage for her distinguished life.
