Race, Representation, and Satire Christopher P. Campbell, 2023-12-06 Race Representation and Satire examines the role of humor sarcasm and parody in providing audiences with insight into race and racism in contemporary media through an analysis of representations of race and ethnicity in texts online content television shows and comedy routines Contributors argue that while many minoritized groups continue to be targeted by stereotypes and myths that have lingered for centuries satire and comedy can be powerful tools for reversing harmful narratives and generating accurate authentic and inclusive representations Scholars of media studies popular culture rhetoric and race will find this book particularly useful

*Gangster Planet* Linda Minor, Daniel Hopsicker, 2024-10-31 Gangster Planet is a wild ride exploring the ever evolving world of drug trafficking money laundering and stock swindles Written in an engaging and accessible style this book not only informs but entertains as it delves into the historical progression of criminal activities As technology rapidly advances so too do the methods of those engaged in illegal enterprises The book reveals how modern criminals adapt their strategies seamlessly integrating new techniques into their operations It also uncovers the collaboration between drug traffickers and so called professional white collar criminals who play a crucial role in laundering illicit profits through global public corporations An alternative subtitle could aptly be The Evolution of Organized Crime into a Global Enterprise

Cunningly Smart Phones Jack M. Wedam, 2015-06-30 Corporations are spying on you more than government spies ever could Just follow the money to find out how and why Corporations can often predict what you will do next detect subtle changes in your mood and essentially know what youre thinking about Development of behavioral biometrics accelerated after 9 11 Some of the research and development was funded by the government to identify potential terrorists and protect the public However these technologies are now used by corporations to trample your privacy practically read your mind and manipulate you to enhance their profits Verify the facts yourself This book contains over two hundred references including court documents patents official government documents and many other sources You can do many things to protect yourself With your help this book can do for Internet privacy what Ralph Naders Unsafe at Any Speed did for automobile safety
