Lord of Scoundrels Loretta Chase,2009-10-13 They call him many names but Angelic isn't one of them Sebastian Ballister the notorious Marquess of Dain is big bad and dangerous to know No respectable woman would have anything to do with the Bane and Blight of the Ballisters and he wants nothing to do with respectable women He's determined to continue doing what he does best sin and sin again and all that's going swimmingly thank you until the day a shop door opens and she walks in She's too intelligent to fall for the worst man in the world Jessica Trent is a determined young woman and she's going to drag her imbecile brother off the road to ruin no matter what it takes If saving him and with him her family and future means taking on the devil himself she won't back down The trouble is the devil in question is so shockingly irresistible and the person who needs the most saving is herself
