Love Addict Koren Shadmi, 2016-02-04 *Bionic Koren Shadmi*, 2020-11-10 An eerie and beautiful coming of age graphic novel for the digital generation from the stunningly creative mind behind Highwayman and Love Addict Bionic is a coming of age tale for the digital generation taking place in the near future It s the story of Victor a geeky teenager on a hopeless quest to win the love of the gorgeous Patricia but when she returns from a horrible accident with astonishing new robotic parts both their lives will be changed forever Koren Shadmi Highwayman The Twilight Man Rod Serling and the Birth of Television presents a hypnotically illustrated story of warm flesh and cold metal It s the story of a love that was never meant to be of overwhelming emotions trauma rebellion loss of innocence and the fear that wanting something may not be enough All Tomorrow's Parties: The Velvet Underground Story Koren Shadmi, 2023-08-22 An examination of some of rock n roll s most iconic figures The Velvet Underground Andy Warhol and the loaded push pull relationship that distorted their lives and echoed throughout popular culture Many cultural critics would agree that Andy Warhol gave the Velvet Underground their break simply by bringing them under his wing While they reached a certain level of notoriety and local celebrity in their time and have since acquired a lasting cult following their success was in large part fostered by Warhol s patronage But at the time this relationship was muddled by a certain level of codependence and an insatiable appetite for fame and irony leaving Reed to ponder quietly Would we have succeeded without Warhol s help This doubt begins to spread like a malignant force eventually leading to the band s undoing as they break away from Warhol and perhaps give up their golden ticket to success Explore the story behind the group The New York Times called arguably the most influential American rock band of our time through good times and bad as captured in emotive style by multi award winning artist Koren Shadmi Twilight Man Love Addict Confessions of a Serial Dater *Highwayman* Koren Shadmi, 2019-05-21 Israeli cartoonist Koren Shadmi Love Addict The Abaddon turns to science fiction in a sprawling ambitious journey across time and space Forever on the move Highwayman travels through the vastness of North America searching for the source of his condition He suffers from a strange seemingly incurable disease immortality Bound to the road and at the mercy of whomever will give him a ride he encounters people who reflect the rapidly changing world around him Moving through centuries of change he watches humanity s precarious trajectory towards an unknown future Rise of the Dungeon Master David Kushner, 2017-05-09 Now a scripted thriller podcast series starring Emmy nominated actor Jon Hamm Rise of the Dungeon Master is a graphic narrative of the life of Gary Gygax co creator of Dungeons Dragons one of the world s most influential role playing games Rise of the Dungeon Master tells in graphic form the story of Gary Gygax co creator of Dungeons Dragons one of the most influential games ever made Like the game itself the narrative casts the reader into the adventure from a first person point of view taking on the roles of the different characters in the story Gygax was the son of immigrants who grew up in Lake Geneva WI in the 1950s An imaginative misfit he escaped into a virtual world based on

science fiction novels military history and strategic games like chess In the mid 1970s he co created the wildly popular Dungeons Dragons game Starting out in the basement of his home he was soon struggling to keep up with the demand Gygax was a purist in the sense that he was adamant that players use their imaginations and that the rules of the game remain flexible A creative mind with no real knowledge of business he made some strategic errors and had a falling out with the game s co creator his close friend and partner David Arneson By the late 1970s the game had become so popular among kids that parents started to worry so much so that a mom s group was formed to alert parents to the dangers of role play and fantasy The backlash only fueled the fires of the young fans who continued to play the game escaping into imaginary worlds Before long D D conventions were set up around the country and the game inspired everything from movies to the first video games With D D Gygax created the kind of role playing fantasy that would fuel the multibillion dollar video game industry and become a foundation of contemporary geek culture
