Love And Let Die Masters And Mercenaries 5:

Love the Way You Spy Lexi Blake,2023-09-19 Tasha Taggart isn't a spy That's her sisters job Tasha's support role is all about keeping them alive playing referee when they fight amongst themselves and soothing the toughest boss in the world Working for the CIA isn't as glamorous as she imagined and she's more than a little lonely So when she meets a charming man in a bar the night before they start their latest op she decides to give in to temptation The night was perfect until she discovers she's just slept with the target of their new investigation Her sisters will never let her hear the end of this Even worse she has to explain the situation to her overprotective father who also happens to be their boss Dare Nash knew exactly how his week in Sydney was going to go attending boring conferences to represent his family's business interests and eating hotel food alone Until he falls under the spell of a stunning and mysterious American woman Something in Tasha's eyes raises his body temperature every time she looks at him She's captivating and he's committed to spending every minute he can with her on this trip even if her two friends seem awfully intense He doesn't trust easily but it's not long before he can imagine spending the rest of his life with her When Dare discovers Tash isn't who she seems the dream turns into a nightmare She isn't the only one who deceived him and now he's in the crosshairs of adversaries way out of his league He can't trust her but it might take Tasha and her family to save his life and uncover the truth **No Love Lost** Lexi

Blake,2020-09-29 When Ezra Fain joined the ranks of the CIA the last thing on his mind was romance After meeting Kim Solomon it was difficult to think of anything else A tragic mistake drove them apart leaving him shattered and unable to forgive the woman he loved But when his greatest enemy threatens her life Ezra leaps into action prepared to do anything to try to save her Solo accepted long ago that she won't get over Ezra She's worked for years to get back into his life looking for any way to reignite the love they once shared Unfortunately nothing seems to penetrate the wall he has built between them When she's arrested for a crime she didn't commit she believes she's on her own Racing across the globe Ezra and Solo find themselves together again caught in the crosshairs of the agency they sacrificed so much to serve Days on the run soon turn to steamy nights but Levi Green isn't about to let them find their happily ever after And when the smoke clears the men and women of McKay Taggart will never be the same again **The Complete Concordance to Shakespeare: Being a Verbal**
