Love On Site English Edition:

Form Follows Love (English edition) Anna Heringer, Dominique Gauzin-Müller, 2024-08-19 According to Anna Heringer Beauty has nothing to do with money or finance but everything to do with creativity and love With statements like this she clearly has her finger on the pulse of our time judging by the packed lecture halls international awards such as the 2007 Aga Kahn Award or the 2020 OBEL Award and exhibitions at MoMA MAM Sao Paulo and the Venice Biennale In Form Follows Love Anna Heringer talks to author Dominique Gauzin Müller about her career as an architect her studies her experiences during a workshop by Martin Rauch her practice in the Global South and current projects in the Global North She shares with us the insight that clay is not only an environmentally friendly material but in the best cases it can even trigger socially beneficial processes Essential text describing the work of Anna Heringer an architect specialized in clay How architecture can have a positive impact on the environment and society Building with local resources to maintain ecological balance Available in German English and French

Parzival A Knightly Epic Volume 2 (of 2) (English Edition) Wolfram von Eschenbach ,2014-11-14 Example in this ebook BOOK X ORGELUSE Now tell we of strange adventures thro which joy shall be waxen low And yet pride shall grow the greater of the twain doth this story show Now the year of truce was ended when the strife must needs be fought Which the Landgrave unto King Arthur at Plimiz I had brought At Schamfanzon he challenged Gawain to meet him at Barbig I Yet still unavenged was Kingrisein at the hand of Kingrimursel In sooth Vergulacht he rode there and thither had come Gawain And the whole world was ware of their kinship nor might strife be betwixt the twain For the murder Count Eckun t did it and Gawain must they guiltless hold At rest did they lay their quarrel and friends were those heroes bold Then they parted for both would ride thence Vergulacht and the knight Gawain Tho both for the Grail were seeking yet apart would they ride those twain And many a joust must they ride now for he who the Grail would see Sword in hand must he draw anigh it and swift must his seeking be Now all that befell to Gawain the lot of that blameless knight Since he rode forth from fair Schamfanzon if he oft on his way must fight Ye shall ask of those who there saw him since naught may I tell ye here Yet hearken and heed the story and the venture that draweth near One morning Gawain rode gaily o er a grassy plain and green When a shield in the sun fair shining with lance thrust pierced thro was seen And a charger stood beside it that bare women s riding gear And the bridle and aye the housing were of costly stuff and dear And the charger and shield beside it were bound to a linden tree Then he thought Who shall be this woman for valiant I ween is she Since she beareth a shield so knightly If she thinketh with me to fight How then may I best withstand her Were it better to here alight If too long she wrestle with me perchance I were overthrown If hatred or love I shall win here I will fight her on foot alone Yea e en an she were Kamilla who before Laurentium fought Did she live still to battle with me as awhile she for honour sought I would face her nor fear her prowess if here she my foe would be Tho ne er with a maid have I foughten and the chance seemeth ill to me Battle hewn was the shield and dinted as Gawain right well espied The

nearer he rode unto it and pierced with a lance thrust wide Such token by joust is painted little payment his skill should know
 Whose hand erst the shield had fashioned an he thought him to paint it so By the trunk of the mighty linden sat a maid on the
 grass so green And sore did she weep and bewail her and joyless I wot her mien Then around the tree rode Gawain and lo on
 her knee she bore A knight and she wept above him and grieved with a sorrow sore To be continue in this ebook **Women
 in Love** D. H. Lawrence, 1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and
 incomprehension that met most of his fiction Women in Love examines the regenerative and destructive aspects of human
 passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in The Rainbow and their
 relationships with Gerald Crich and Rupert Birkin Set against the backdrop of a world consuming itself in war the novel
 creates an instructive vision of humanity's dance with life and death This text is the famous first Women in Love the
 unexpurgated version preferred by Lawrence himself which was rejected by every publisher because of the banning of The
 Rainbow in 1915 More positive in tone than the revised version published in his lifetime with different central relationships
 and a radically different ending it is now viewed by many as Lawrence's masterpiece BOOK JACKET Insufficient Direction
 (English Edition) Moyoco Anno, A natural match between the manga queen Moyoco Anno and the patron saint otaku Hideaki
 Anno When Moyoco Anno the widely successful creator of women's manga married Hideaki Anno creator of Evangelion and a
 director known to be the very model of an otaku she held one important doubt Am I really ready to be an otaku's wife Taking
 up that challenge Moyoco Anno launched herself into the deep and beautiful world of married life This comic essay an account
 of the private lives of two of Japan's most high profile creators is raw unfiltered and unforgettably hilarious This series has
 been published in Japan since 2002 which Japanese title name is Kantoku Fuyuki Todoki **Love** Anton Pavlovich
 Chekhov, 1923 **Parzival A Knightly Epic Volume 1 (of 2) (English Edition)** Wolfram von Eschenbach, Example in this
 ebook In presenting for the first time to English readers the greatest work of Germany's greatest medi val poet a few words
 of introduction alike for poem and writer may not be out of place The lapse of nearly seven hundred years and the changes
 which the centuries have worked alike in language and in thought would have naturally operated to render any work
 unfamiliar still more so when that work was composed in a foreign tongue but indeed it is only within the present century
 that the original text of the Parzival has been collated from the MSS and made accessible even in its own land to the general
 reader But the interest which is now felt by many in the Arthurian romances quickened into life doubtless by the genius of
 the late Poet Laureate and the fact that the greatest composer of our time Richard Wagner has selected this poem as the
 groundwork of that wonderful drama which a growing consensus of opinion has hailed as the grandest artistic achievement
 of this century seem to indicate that the time has come when the work of Wolfram von Eschenbach may hope to receive from
 a wider public than that of his own day the recognition which it so well deserves Of the poet himself we know but little save
 from the personal allusions scattered throughout his works the dates of his birth and death are alike unrecorded but the

frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram's greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet's birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Tr hending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schildesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook

Richard Wagner and the Centrality of Love Barry Emslie, 2010 This is a bold book which argues that Wagner's music dramas cannot be understood if treated separately from his essays his life the intellectual and artistic climate of his day and the broader history of Germany Wagner attempts a range of reconciliations that are radical in content and form and appear to succeed partly because he is in well nigh complete command of the aesthetic product not only text and music but also production practice Nonetheless all the reconciliations ultimately break down but in a manner that is illuminating This is not a celebration of the seamless work of art but a radical unpicking of the seemingly seamless Love is the central organising concept of the whole Wagnerian project Love sexual and spiritual egotistical and charitable love of the individual and of the race is the key Wagnerian driving force And therefore so is hate Of course Wagner cannot employ love without its opposite and it is critically significant that his anti semitism is based upon his view that the Jews are loveless The book handles Wagner's anti semitism and the ongoing row about it in a unique way in that it is shown to be aesthetically and intellectually productive for him This leads to a radical reinterpretation of

Wagner's music dramas The New Laws of Love Marie Bergström, 2021-12-21 Online dating has become a widespread feature of modern social life In less than two decades seeking partners through commercial intermediaries went from being a marginal and stigmatized practice to being a common activity How can we explain this rapid change and what does it tell us about the changing nature of love and sexuality In contrast to those who praise online dating as a democratization of love and those who condemn it as a commodification of intimacy this book tells a different story about how and why online dating became big The key to understanding the growing prevalence of digital dating lies in what Marie Bergström calls the privatization of intimacy Online dating takes courtship from the public to the private sphere and makes it a domestic and individual practice Unlike courtship in traditional settings such as school work and gatherings of family and friends online dating makes a clear distinction between social and sexual sociability and renders dating much more discrete Apparently banal this privatizing feature is fundamental for understanding both the success and the nature of digital matchmaking Bergström also sheds light on the persisting inequalities of intimate life showing that online dating is neither free nor fair it has its winners and losers and it differs significantly according to gender age and social class Drawing on a wide range of empirical material this book challenges what we think we know about online dating and gives us a new understanding of who why and how people go online to seek sex and love Leo Tolstoy Gilbert Keith Chesterton, George Herbert Perris, 1903
