Love Or Friendship English Edition:

Love, Friendship and Faith in Europe, 1300-1800 L. Gowing, M. Hunter, M. Rubin, 2005-10-14 This ground breaking volume explores the terrain of friendship against the historical backdrop of early modern Europe In these thought provoking essays the terms of friendship are explored from the most intimate and erotically charged to the reciprocities of village life This is a rich offering in social and cultural history that is attuned to the pervasive language of religion A hidden history is revealed of friendships that we have lost and of friendships starkly and movingly familiar *Love, Friendship, and Narrative Form After Bloomsbury* Jesse Wolfe, 2022-12-15 Exploring how the Bloomsbury Group s cutting edge thinkers Virginia Woolf Sigmund Freud and E M Forster understood the intimacy of friends lovers spouses and families as historically unfolding phenomena this book offers a compelling account of modernism s legacies in contemporary fiction and demonstrates the myriad ways in which intimacy was a guiding and persistent idea explored by writers across the 20th century and up to the present day Often modernists have been celebrated for their insights into social and civilizational sickness but this book unearths a strain of modernist thought that is more complex and inspiring than this It discusses how Bloomsbury s thinkers wrestled with the question Does intimate life improve as sexual egalitarianism expands as taboos against same sex love interracial love and singlehood wane and as parents and children relate less formally and often more warmly toward one another And it discusses how many of today s major novelists such as Salman Rushdie Zadie Smith Ian McEwan and Rachel Cusk look to Bloomsbury s thematic and formal examples when they reformulate this question for our time **Justice as Friendship** Seow Hon Tan, 2016-03-09 This book explores the question of justification of law It examines some perennial jurisprudential debates and suggests that law must find its justification in morality Drawing upon the Aristotelian inspiration that friends have no need for justice in ideal friendship we behave justly Seow Hon Tan develops a theory of law based on the universal phenomenon of friendship Friendships and legal relations attract rights and obligations by virtue of the manner in which parties are situated Friendship teaches us that how parties are situated gives rise to legitimate expectations it attests to the intrinsic worth of each person The methodology for deciphering norms within and moral lessons from friendship can be transposed to law resulting in an inter subjectively agreeable and rich conception of justice In determining the content of legal rights and obligations we can and should draw upon such determination in friendship Justice as Friendship aims to provide a vision for law s development and invites the practitioner to advance its central claims in their area of expertise In dealing with selected legal doctrines the book draws upon illustrative cases from the United States the United Kingdom and the Commonwealth The book traverses the fields of jurisprudence philosophy ethics political theory contract law and tort law The Critic Jeannette Leonard Gilder, Joseph Benson Gilder, 1892 *Love's Inferno* Edward Stilgebauer, 1916
