Loving Jesus More:

Loving Jesus More Philip Graham Ryken, 2014-09-30 Do you love Jesus more than your spouse Your reputation Your kids Your health Your job Your money As Christians we re called to love Jesus more than anyone or anything else But do we really do this Emphasizing that God s love for us is the source of our love for him Phil Ryken challenges us to take Jesus s words seriously and think carefully about where our affections truly lie *Loving Jesus More* John Loren Sandford, 2017-10-04

Love Matters More Jared Byas, 2020-09-08 For years Christians have argued debated and fought one another while speaking the truth in love yet we are no closer to the grace filled life Jesus modeled Biblical scholar and popular podcast host of The Bible for Normal People Jared Byas casts a new vision for the Christian life that s built not on certainty but on the risk of love A biblically based Christian life is not grounded in having all the answers but in a living relationship This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically With stories and insights drawn from his years as a pastor professor and podcast host Jared Byas calls us back to the heart of the Bible that truth is only true when it s lived out in love In a refreshing voice that s both witty and profoundly revelatory Jared unpacks the concept of truth its meaning and why we so often fight over it He makes a compelling case for how what we believe is less important than how we believe it and that more than anything else telling the truth in love is about following Jesus For anyone who has ever felt forced to choose between truth and love acceptance and rightness this book offers a path forward beyond truth wars and legalistic religion to a love that matters more **Two Can Play That Game** D. Eric

Lowdermilk, 2016-12-22 John 21 portrays seven disciples fishing all night yet catching nothing In the morning a shoreline stranger instructs them to recast their net Surprisingly the disciples fail to recognize him After a miraculous catch and subsequent breakfast however there is no doubt as to who this stranger is Jesus then questions Peter about his love and commissions him to feed Jesus sheep Using narrative criticism Lowdermilk examines this recognition scene asking How would a reader well acquainted with recognition and deception as portrayed in Genesis understand John 21 He discards trickster terminology and argues that biblical recognition occurs within a context of manipulation After proposing a detailed taxonomy of manipulation he ventures further and argues for patterns in Genesis where manipulators are counter manipulated in a reciprocal manner ironically similar to their own behavior providing a transforming effect on the manipulator These findings plus a careful examination of Greek diminutives inform Lowdermilk s new reading of John 21 1 19 Peter withholds his identity as a disciple in John 18 and later Jesus actively withholds his identity in ironic counter manipulation mirroring Peter s denials Jesus threefold questioning of Peter continues the haunting echoes of Peter s earlier denials Will it result in a disciple transformed Sexual Healing Judith Peart, 2014-03-15 A guide to sexual wholeness the Biblical way FOREWORD Your hearts will be touched your feelings and emotions challenged as you read this book

Loving Jesus Mark Allan Powell, The essence of spirituality is loving God says Powell The Bible the Talmud and the Qu

ran all direct their followers not merely to believe in God to trust God to obey God and to serve God but to love God But how does one do that Can we learn to love God In this biblical spirituality for today Powell s earnest plea is for Christians to revisit their faith not by blazing in religious enthusiasm but by harboring a steadier flame and deeper commitment Living at the poetic heart of faith he argues entails seeing the coordinates of religious life love understanding truth hope and especially devotion in a new way Powell espouses the old fashioned idea of piety Drawing on his wide knowledge of the Bible and Christian tradition as well as insights from his own journey he shows how simple religious practices move us beyond the old certitudes of a naive and youthful faith into the less certain but more bracing terrain of a second naivete a closer walk with Jesus

What the Gentiles Have Done to Christianity Lloyd David Elcock, 2004-12 Christians do not love Jesus enough Indeed on a scale of 1 to 10 the average Christian s love for Him scores no more than 10 This is the startling message of Lloyd David Elcock s first volume of a series of scriptural expositions that he proposes to publish under the rubric *What the Gentiles Have Done to Christianity* The foundation upon which he has built this series includes the following three cornerstones Biblical Christianity can accurately and justifiably also be called Jewish Christianity After the control and direction of Biblical Jewish Christianity was passed from Jewish to Gentile hands at the beginning of the 2nd century AD the Gentiles comprehensively deformed it and 1200 years later partially reformed it The salvage and recovery of Biblical Jewish Christianity begun five hundred years ago by Luther Calvin and the other Gentile Protestant Reformers is only fifty percent completed in particular a number of the most fundamental doctrines of Biblical Jewish Christianity are yet to be recovered and their absence from today s Evangelical Church is the sole and single reason for the widespread carnality and stunted spiritual growth that characterizes the lifestyle of the overwhelmingly vast majority of born again Christians everywhere in the western world In this first volume the author puts forward the view that one of those as yet unretrieved fundamental doctrines is the major key to the Spirit filled life of love faith and power that is the ultimate goal of both Biblical Christianity and Gentile Evangelical Christianity That key he says is hidden in plain view out in the open in the pages of the fourteenth chapter of the Gospel according to the apostle John

A Glad Obedience Walter Brueggemann,2019-01-15 The Christian practice of hymn singing says renowned biblical scholar Walter Brueggemann is a countercultural act It marks the Christian community as different from an unforgiving and often ungrateful culture It is also he adds an absurd enterprise in the midst of the hyper busy market driven society that surrounds us In this helpful and engaging volume Brueggemann discusses both why we sing and what we sing The first part of the book examines the Psalms and what they can teach us about the reasons that corporate song is a part of the Christian tradition The second part looks at fifteen popular hymns including classic and contemporary ones such as Blest Be the Ties That Bind God s Eye Is on the Sparrow Once to Every Man and Nation Someone Asked the Question and We Are Marching in the Light of God and the reasons why they have caught our imagination To know why we sing Brueggemann writes may bring us to a deeper delight in our singing and a strengthened resolve to sing without calculation before the God who is enthroned on the praises of Israel Ps 22 3

Untwisting Twisted Truth Marilyn K. Snyder,2023-02-14 WHY WOULD SOMEONE DISSOLVE A RELATIONSHIP THAT PROVIDED THE ONLY SECURITY THEY KNEW Truth became twisted as the author found herself in a web of deceit No longer able to discern what truth was nor where to turn she clung to someone who promised hope and a future only to realize the emptiness inside could only be filled with the love that Jesus offered Follow the journey of a small town Christian farm girl who became ensnared in a homosexual relationship and entered into a civil union with her trans partner Discover how an encounter with grace leads her to walk away from perceived stability instead choosing to follow Jesus into full time ministry You will discover truth hidden in some popular mottos I Was Born This Way Love Wins My Life My Rules and We re Here We re Queer And be challenged to look at Our Vulnerability and Our Calling Someone is waiting on the other side of our obedience
