Longest Chapter In The Book Of Mormon:

The Book of Mormon and its relationship with the Bible David J. Richards, 2017-11-17 The Book of Mormon is an influential and controversial book. It launched a religious movement that has been believed by millions to be scripture and has been derided by others as fraudulent. Despite this or perhaps as a result, the book's contents have been subject to both academic neglect and popular myth. This book challenges some of that neglect by examining the Book of Mormon through the lens of its relationship with the Bible, a work which the Book of Mormon openly quotes and expects to be read alongside and the only text which everyone agrees is connected to the Book of Mormon. Through close examination of the Book of Mormon text and biblical parallels, including three substantial case studies, this book examines the ways in which the Book of Mormon draws upon and interprets the biblical text. This book demonstrates the complexity with which the Book of Mormon handles biblical material and the close correlation between its reading of the Bible and the Book of Mormon's own core themes.

Anthology I Cornelius Hyzer, 2013-01-15 Seven great books that cover many aspects of antiquity which may not be readily known and the original contributions of Joseph Smith to the True Religion. Hyzer, 2018-11 From his First Vision in 1820 until his martyrdom in 1844, Joseph Smith introduced doctrines, priesthood ordinances, and a system of Church governance that changed the world on a global level and individual lives on a profoundly personal level. Faith in Jesus Christ increased exponentially, and an entire group of people was lifted spiritually closer to God as America burst forth into the modern era. And the best is yet to come. *Almost a Mormon* Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adam's entire summer. One Mormon girl in his 9th grade English class altered his path over the following year. One book changed his outlook on faith. One true church had him hooked. Suddenly one unexpected dream from God transformed the course of his entire life. Join Adam on his quest from Mormonism to the one true Faith—Christianity—and you'll soon realize your own story is about to unfold before your very eyes. You're about to meet and encounter the One True God. **An Analysis of the Book of Mormon** Wesley Ziegler, 1947. **1 Kings to Malachi** Kent P. Jackson, 1993. **Improvement Era**, 1955.
