Longman Academic Series 4:

Longman Academic Writing Series 4 SB with Online Resources Alice Oshima, Ann Hogue, Lara Ravitch, 2016-09-19

The Longman Academic Writing Series helps develop student writing from basic composition of sentences and paragraphs to academic essays and research papers. At each level, students are offered guidance in the complete writing process from prewriting to revision and are provided with clear explanations, extensive practice, and consistent coverage of sentence mechanics and grammar. Highlights: Step by step approach helps students produce a well organized, clearly developed portfolio that is the foundation of academic coursework. Realistic writing models guide writers while clear explanations supported by examples help students through typical rough spots. Extensive practice helps students assimilate writing skills to learn to write with accuracy and confidence. Timed writing activities provide a plan for writing paragraphs on tests. Interactive tasks such as pair and group work allow students to receive peer feedback on their individual writing. Level 5 offers more advanced guidance in the writing of essays and research papers. New Essential Online Resources include grammar for writing and sentence structure activities, teacher support material, teacher's manual, and assessments.

Longman Academic Writing 4 +

Longman Academic Reading 4 Hogue & HOGUE & OSHIMA, 2013-06-21 The Longman Academic Reading Series is a five level series that prepares English language learners for academic work. The aim of the series is to make students more effective and confident readers by providing high interest readings on academic subjects and by teaching them skills and strategies for effective reading, vocabulary building, note taking, and critical thinking. The series also encourages students to discuss and write about the ideas they discovered in the readings, making them better speakers and writers of English as well. The Longman Academic Writing Series helps students master the academic writing skills needed to succeed in their academic careers. The five level series spans writing topics from composing sentences to writing research papers. Each level covers the complete writing process from prewriting to revision. Level 4 teaches high intermediate students to write various genres of academic essays. The text's proven approach integrates training in grammar, mechanics, vocabulary, and essay organization along with the writing process.
