Love In The Time Of The Apocalypse English Edition:

Love in the Time of the Dead Tera Shanley, 2013-10-22 Laney Landry has been fighting Dead alongside her brother and friends for three years But she has a secret She s immune to Dead bites and has to find the right people to trust with the information Her team rallies around her to find a doctor who can extract a vaccine from Laney which could fight the virus that ended the world Sean Daniels leads a colony that provides her team with much needed shelter and supplies He is obviously interested in Laney The question is whether he s only intrigued by her as a source for the possible vaccine or for something more Tests for the cure might push her body beyond what it can endure and just as she faces a ghost from her past her longtime teammate Derek Mitchell hints at an interest in more than just her Dead slaying abilities Two honorable and alluring men one colossal decision to make Despite historically bad taste in men can she rise above the chaos of the apocalypse and choose the one who deserves her heart The right choice could mean the difference between surviving and just living
