Love Is War Hillsong:

A Supreme Love William Edgar, 2022-07-26 Theologian and jazz pianist William Edgar places jazz within the context of the African American experience and explores the work of musicians like Miles Davis and Ella Fitzgerald arguing that jazz which moves from deep lament to inextinguishable joy deeply resonates with the hope that is ultimately found in the good news of Jesus Christ

The Waiting War Jenna Oakes, 2021-04-12 We re all waiting for something a dream a change a cure an answer Though we know what the Bible tells us about waiting well the Lord s promises and His perfect plan for our life we still find ourselves battling with the day to day reality before us We re tired We re frustrated We re at a loss of what else we can possibly do We ve already surrendered this battle to Him after all Why do we still feel this way Have we though actually surrendered What does that even mean in all reality What do we do when our burning desire to trust the Lord collides with our flesh in the form of underlying expectations of Him How to we overcome our fear that silences our faith How do we relinquish our controlling tendencies without becoming idle How do we pray fervently for those deep desires of our hearts while still declaring Thy will be done How do we recognize and thwart the enemy s plans to focus our eyes on all that isn t so he can steal away all that currently is How do we boldly declare to the Lord that we want Him and His will more than anything and actually mean it Connect with Jenna s heart for you as she openly shares how the Lord revealed these hidden corners of sin during her own journey of waiting Dive into Scripture with her and meet biblical characters who fought similar battles Experience freedom as you call light to the silent stones weighing down your heart and learn what it looks like to actively surrender them to the Lord Develop personalized battle strategies to overcome the enemy s attempts to drag you back into your internal chaos Become a warrior in waiting as you find your YES in His Not yet [Business Review Weekly](#), 2002

Musings of a Christian Physician on the Physical and Spiritual Healing of Man Joseph DeMay MD FAAP, 2020-05-27 I had always believed in the healing power of our Lord and viewed my life as one of service to Him via the practice of medicine But in retrospect I had a deeper trust in the power of modern medicine and science than I did in Jesus Christ and His fully accomplished work on the Cross My thinking was flawed but as I grew in my walk with the Lord and meditated on Scripture more fully I began to see the superiority of faith over the limited interventions modern medical science had to offer and that this interplay between faith and science was not mutually exclusive but complimentary for the spiritual aspects of our lives illuminate and empower the carnal aspects of intellect and physical senses I began jotting notes to myself related to this interplay of faith and healing and science and just filed them away for years I Then in December of 2017 a baby was born to a first time mother of mine his little body riddled with the most fulminant form of acute lymphoblastic leukemia almost always fatal His absolutely miraculous healing was the impetus to start putting these thoughts into writing in the form of weekday morning emails entitled A Christian Doctor s View of Healing Faith and Science It was soon made clear to me that these writings were to take the form of a year long devotional book comprised of short weekday

messages that are intimately linked such that they can be read through as a book And that book was to paint a picture and that picture was to be of a face and the face was to be that of Jesus for He is the source of all healing *The Power of Music*
 Michael L. Brown, 2019-01-08 Music can either Connect You to God or Drive You to the Devil God created the human race to enjoy music and to make music and through music the world has been dramatically changed for good and for evil In this fascinating book Michael L Brown takes the reader on a journey through the history of music from classical to rock and from hip hop to gospel showing just how transformative music has been and how much God wants to use it to change the world again Brown contends that it is time for all Christians to make a concerted effort to recover the potential of anointed music and song in our assemblies and in society in our services and on the streets in studios and in schools The counterculture revolution of the 1960s only succeeded with the help of satanically inspired music and mind altering drugs Could it be that today s Jesus revolution can only succeed with the help of Spirit inspired music and a life altering encounter with God What else will produce the necessary change in our perspective After reading this book believers will never again listen to music the same They will finally understand its power and divine origin but more importantly they will know how God wants to use it to usher in a global outpouring that will change the world forever This book will show you how music can either indoctrinate or educate you spark rebellion or patriotism and drive you to the devil or draw you closer to God This book will stir up musicians artists and worshippers everywhere to dive deeper into an appreciation and adoration of the One Himself who created sounds songs and melodies BECKAH SHAE Dove Award Nominated Singer Songwriter Musicians and non musicians alike will be inspired by the powerful ways God intends to use music in today s end time drama BOB SORGE Author of Exploring Worship A Practical Guide to Praise and Worship Dr Brown has written a must read for all musicians singers and songwriters who desire to harness the power of music to glorify Jesus change the atmosphere and release heaven s sound on the earth KELANIE GLOECKLER Worship Leader and Songwriter Executive Director of Access Worship International **Billboard** ,2010-01-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
