Love Triangle After The End:

Dashing to the End Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907 1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder's *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland's life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End The Ray Milland Story* is the first comprehensive biography of the star Milland's personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland's costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist

Aemilia Lanyer as Shakespeare's Co-Author Mark Bradbeer, 2022-03-31 This book presents original material which indicates that Aemilia Lanyer female writer feminist and Shakespeare contemporary is Shakespeare's hidden and arguably most significant co author Once dismissed as the mere paramour of Shakespeare's patron Lord Hunsdon she is demonstrated to be a most articulate forerunner of MeToo fury Building on previous research into the authorship of Shakespeare's works Bradbeer offers evidence in the form of three case studies which signal Aemilia's collaboration with Shakespeare The first case study matches the works of George Wilkins who is currently credited as the co author of the feminist Shakespeare play *Pericles* 1608 with Aemilia Lanyer's writing style education feminism and knowledge of Lord Hunsdon's secret sexual life The second case study recognizes *Titus Andronicus* 1594 a play containing the characters Aemilius and Bassianus to be a revision of the suppressed play *Titus and Vespasian* 1592 as authored by the unmarried pregnant Aemilia Bassano as she then was Lastly it is argued that Shakespeare's clowns Bottom Launce Malvolio Dromio Dogberry Jaques and Moth arise in her deeply personal war with the misogynist Thomas Nashe Each case study reveals new aspects of Lanyer's feminist activism and involvement in Shakespeare's work and allows for a deeper analysis and appreciation of the plays This research will prove provocative to students and scholars of Shakespeare studies English literature literary history and gender studies

Andrew Michael Drozd,2001 Chernyshevskii s 1863 novel What is to be Done has often been dismissed as sociopolitical propaganda Dostoevsky reviled it while Lenin called it an inspiration In this re examination the author argues that the novel has been misread through a refusal to see the novel as a literary text Focus On: 100 Most Popular Television Series by Warner Bros.
